## BREEDING SHED

Keeping the Membership informed, LTBA President Warren J. Harang, III

2022 is now here and we are looking at 2021 in the rearview mirror. I am hesitant to mention COVID19, but it looks like something we will continue to deal with for some time to come. However Louisiana horsemen and women are resilient, rising to the challenge and the industry continues to move forward.

Another successful Louisiana Champions Day is now in the history books. The top Louisiana-bred thoroughbreds and their connections showed up at New Orleans Fair Grounds on a beautiful December day. As always, it was an exciting day of racing, with repeating champions and new rising stars finding the winners circle. Also finding the winners circle were state dignitaries, Lt. Governor, Billy Nungesser, and Commissioner of Agriculture, Dr. Mike Strain, who is a tremendous advocate for our industry. You can read about Louisiana Champions Day starting on page 17 of this issue.

The first Accredited Louisiana-bred stakes day of 2022 will be held at Delta Downs, Saturday, February 5th. Traditionally racing at Delta Downs has been at night, however the light system continues to have issues related to 2020 hurricane damage. For the second year in a row, Louisiana Premier Night will be run as Louisiana Premier

Day. Ten stakes races for Accredited Louisiana-breds with combined purses of \$895,000 are slated to run at the Vinton oval. First post will be 12:55.

With the passing of legislation allowing sports gaming and pari-mutuel historic horse racing in Louisiana, purses in the state are on the rise. This is an exciting time for Louisiana breeding, and I see a prosperous future is on the horizon for all of us.

We have several new stallions in the state giving mare owners some exciting new breeding options. Multiple Grade 1 winner, Carpe Diem (Giant's Causeway – Rebridled Dreams) has moved from WinStar Farm in Kentucky to Acadiana Equine at Copper Crowne in Opelousas. Another multiple Grade 1 winner moving from WinStar, Exaggerator (Curlin – Dawn Raid) is now in Louisiana at Michele Rodriguez' Elite Thoroughbreds in Folsom. Shadwell Farm's Tamarkuz (Speightstown – Without You Babe), who won the 2016 Breeders' Cup Mile [G1] is standing at Don Hargroder's Blue Ridge Farms in Opelousas. Three new stallions entering stud in Louisiana include No Parole, Sky Mischief and Strike Power. No Parole (Violence – Plus One), G1 Woody Stephens Stakes winner and Louisiana's 2020 Horse of the

Year, has retired and will stand his first season at Carrol Castille's Whispering Oaks Farm in Carencro. Speedy graded stakes winner Strike Power (Speightstown – Gold d'Oro) has hung up his tack and is entering stud at Jay Adcock's Red River Farms in Coushatta. Sky Mischief (Into Mischief – Sky Mirage) will stand at Daniel Chicola's Landlock Equine in Coushatta, giving Louisiana breeders another son of Leading Sire Into Mischief to consider. Most of these stallions have statistical pages in the online Louisiana Horse Stallion Register. You can also read more about them starting on page 11 in this magazine.

I would like to commend Val Murrell and the staff of Clear Creek Stud for once again hosting a first class stallion presentation at their farm in January. This annual event showcases our entire industry. Several Louisiana lawmakers are always in attendance (this year including Commissioner of Agriculture, Dr. Mike Strain, and Louisiana State Treasurer, John Schroder). Much work and many resources are involved to put on such an event, and I thank Val and his staff for providing us this platform to keep our industry in the forefront of state leaders and giving us the opportunity to communicate with them directly.

Finally, as many of you know Chrisie Early, is recovering from complications of a routine surgery. The wife of Tom Early, who lead the LTBA for the better part of 40 years and a longtime breeder in her own right, Chrisie is one of the kindest persons I know. Please keep Chrisie and Tom and their entire family in your prayers as they navigate through the healing process in the months ahead.

Our office is open with COVID precautions in place. When you come into our office we ask that you please be considerate and wear a mask and observe social distancing. Even in the face of the coronavirus, our staff is committed to the business of making sure our breeders receive what they have earned through our program.

I encourage everyone to be actively involved in all aspects of

our industry. Come to a board meeting; be informed and involved. We at the LTBA are doing all we can to be of service to you, the breeders. If you have any questions about our program, the staff in our office at Fair Grounds is happy to help. I personally am always happy to hear from you, especially with suggestions for improving our program.

# A NEW YEAR A NEW BREEDING SEASON NEW STALLIONS

by Tom Early

Every new year brings new breeding opportunities. Race horses retire from the track. Stallions that started their careers in Kentucky migrate to regional markets. 2022 brings several exciting stallions to Louisiana, giving breeders in the state several promising new opportunities.

## **CARPE DIEM**

**Giant's Causeway - Rebridled Dreams, by Unbridled's Song**

Acadiana Equine at Copper Crowns, Opelousas, LA

**M**ultiple Grade I winner Carpe Diem is a welcome addition to the stallion ranks of Louisiana.

As a Two-Year-Old he captured the Claiborne Breeders' Futurity at Keeneland Race Track. At Three-Year-Old he once again demonstrated his affinity for the Keeneland track by winning the Toyota Blue Grass Stakes. Between these two he was second in the Sentinent Jet Breeders' Cup Juvenile and won the Grade II Tampa Bay Derby. He retired after a midpack finish in the Kentucky Derby with earnings of \$1,519,800.

He is the sire of five stakes winners and fourteen black type horses from his first three crops to race.

The attractive son of Giant's Causeway will stand at Acadiana Equine @ Copper Crown for a stud fee of \$3,500 live foal.

# EXAGGERATOR

**Curlin - Dawn Raid, by Vindication**  
Elite Thoroughbreds, Folsom, LA

Classic winner Exaggerator will be standing at Elite Thoroughbreds for the 2022 breeding season.

The son of Curlin won the Preakness, Santa Anita Derby and the Haskell Invitational (all Grade I stakes). He was also second in the Kentucky Derby and stakes placed in several more Graded stakes races while accumulating earnings in excess of \$3.5 million. Exaggerator is Curlin's only three time GI winner at stud.

He was the leading second crop sire by winners and has sired three stakes winners and eight stakes horses in his first three crops to race.

He will be standing for a fee of \$5,000 live foal.

# NO PAROLE

**Violence - Plus One, by Bluegrass Cat**  
Whispering Oaks Farms,  
Carencro, LA

When No Parole broke his maiden by 14+ lengths at first asking at Fair Grounds in December of 2019 he looked like something special running six furlongs in 1:10.24. He repeated that performance in January getting the six furlongs in the exact same time winning by 13+ lengths.

He extended his win streak to three with a 6 ½ length win in his first stakes win going a mile in the Louisiana Premier Night Prince Stakes at Delta Downs in February. An allowance win at Oaklawn in April set him up perfectly for his biggest win, the Grade I Woody

Stevens Stakes at Belmont Park. He returned to Delta Downs the following year to add the Louisiana Premier Night Sprint while running the five furlongs in 57.37.

In all the Maggi Moss and Greg Tramontin's son of Violence, who

was trained by Tom Amoss, won six of nine starts and earned \$369,866. He will stand his first year at stud at Carroll Castille's Whispering Oaks Farm for a fee of \$3,500

# SKY MISCHIEF

**Into Mischief - Sky Mirage, by Sky Mesa**  
Landlock Equine, Coushatta, LA

This lightly raced son of the world's leading sire, Into Mischief, has been retired to stand in Louisiana for the 2022 breeding season.

Sky Mischief started only eight times. He broke his maiden at Tampa Bay Downs winning by a comfortable three lengths. He added an allowance win at Colonial Downs going seven furlongs on the turf and earning a 99 Equibase Speed Number. Injured shortly after that race he was retired.

He will stand for a fee of \$2,000 at Dan Chicola's Landlock Equine

# 2021 Louisiana Champions Day

by Chad Schexnayder

The old warriors took center stage in Fair Grounds 31st annual Louisiana Champions Day. Fans witnessed an exciting undefeated juvenile prospect in Unified Report and a budding turf star in Who Took The Money, but the it was a pair of seasoned Cajun-breds going back-to-back with wins in their respected divisions with 8-year-old Monte Man (Sprint) and 6-year-old Grand Luwegee (Classic) that stole the show.

“It’s a very exciting day for all our state-breds and the people in the breeding industry in Louisiana who make this day go,” said Warren Harang III, who serves as president of the Louisiana Thoroughbred Breeders’ Association. “What can you say about a horse like Monte Man? And Grand Luwegee certainly showed he likes this race at Fair Grounds.”

# GRAND LUWEGEE

**El Corredor - Magical Mia, by Gold Fever**

Owner: Gerard Perron • Breeder: Gerard Perron

Trainer: Gerard Perron • Jockey: C. J. Hernandez

*“We couldn’t be more proud of him and the way he has run in this race the last two years.”*

*Gerard Perron*

Grand Luwegee with jockey Colby Hernandez aboard goes wire to wire to capture the 30th running of the Louisiana Champions Day Classic at Fair Grounds.

For Colby Hernandez the plan was “if it ain’t broke, don’t fix it.”

Hernandez and Grand Luwegee implored the same front-running tactics as the previous year in winning his second \$150,000 Champions Day Classic for owner/breeder and trainer Gerard Perron.

The 2020 version of Grand Luwegee shocked the crowd at 52-1 over a muddy track. This time the son of El Corredor out of the Gold Fever mare Magical Mia used his speed on a fast surface to

win by three lengths as the third betting choice at 3-1.

“Coming out of the one-hole we were definitely going to run just like last time,” Hernandez said. “Mr. Gerard and his staff did a great job of getting this horse to the race and he ran a very hard race today. Turning for home, when I slapped him more on the shoulder he kicked on nice.”

Grand Luwegee now joins the likes of Star Guitar (2009-11), Magnify (97-98), Costa Rising (06-07), Mobile Bay (16-17) and Sun Bean (13-14) as multiple winners of this race.

The 76-year-old Perron said he believed Grand Luwegee was a fitter and more determined horse this time around. Grand Luwegee proved him right stopping the clock in 1:51 for 1-1/8 miles, fastest time of the Classic since Star Guitar equaled that same time back in 2010.

“We couldn’t be more proud of him and the way he has run in this race the last two years,” Perron said.

Pound For Pound, the 2019 Classic winner, pressed the pace as the 9-5 second choice and finished third in the seven-horse field. Race favorite Highland Creek saved ground around both turns from his stalking position under Adam Beschizza but was only able to get within three lengths to finish second behind Grand Luwegee at the wire.

Grand Luwegee now has a career record of 30-8-6-4 with \$491,150 in earnings.

Pat Mouton

Fort Polk with Jorge Guzman aboard wins the Louisiana Champions Day Distaff.

Fort Polk kept her winning ways intact in the \$100,000 Ladies Distaff snapping her rival Net A Bear's three-race winning streak in the process.

Owned by Steve and Patricia Roe and trained by Patrick Mouton, Fort Polk powered away through the stretch past a stubborn Winning Romance to win by two lengths. Net A Bear finished third in the five-horse field.

The final time of 1:44.57 established a stakes record under jockey Jorge Guzman for 1-1/16-miles on the main track. Although it was the 5-year-old mare's first appearance on Champions Day, it was her fourth win in her last five starts

since removing blinkers with her lone loss coming on the turf to Net A Bear.

"She's always been a good horse," Mouton said. "Actually, I think she is getting better with age. She is going to be six pretty soon. She ran super all summer. We got beat only once when we ran on turf and she really doesn't care for the turf."

Wins like these mean the most to a longtime conditioner like Mouton, who has had his share of winners on Champions Day with the likes of Nob Hill Deelite, Walk This Way and Carl's Frosty Girl, who won the first two editions of the Ladies Sprint in 2006-07.

"Listen, I don't travel, I stay here in the state, he said. "I stay in Louisiana 99 and 9/10% of the time. Winning this kind of race is a big deal. It's the epitome."

## WHO TOOK THE MONEY

### Street Boss – Speight's Colony by Speightstown

Owner: Allied Racing Stable, LLC (Chester Thomas) • Breeder: Allied Racing Stable, LLC

Trainer: W. Bret Calhoun • Jockey: Deshawn Parker

Trainer Bret Calhoun didn't exactly flip a coin when it came to his cross entrants Who Took the Money and Highland Creek for the Champions Day Turf but the veteran conditioner did wonder if he was pushing the right button when he decided Who Took the Money would join stable mate Budro Talking in the turf starting gate leaving Highland Creek for the Classic.

The chosen pair rewarded his trainer with a 1-2 finish highlighted by the electric turn of foot displayed by Who Took the Money who beat his stable mate home by a widening 5-3/4 lengths.

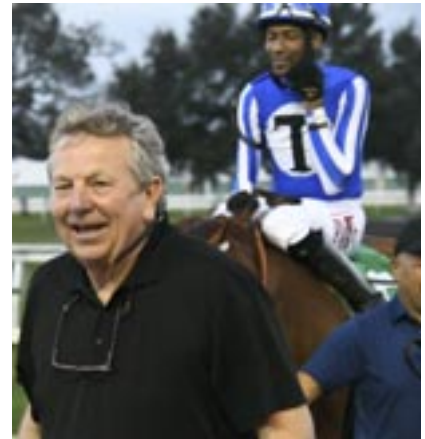

"Knowing his pedigree, I just thought he would be the right one for the grass," Calhoun said of the son of Street Boss out of the

Speightstown mare Speights' Colony. "He really showed the kind of turn of foot today that we were wanting to see."

Before the Champions Day Turf, Who Took the Money was best known at Fair Grounds as the horse who flipped in the post parade on Louisiana Derby day as the .50-to-1 favorite in the Crescent City Derby. The pre-race antics didn't slow him down though as he won that day by a neck over Highland Creek.

"He's not as difficult to train as he is to run," Calhoun said. "The antics in the paddock and going to the gate, he'll test you. He's got quite a bit of ability, but he's got some (mental) issues."

The victory vaulted his record to 8-5-0-1 and \$217627 for

Chester Thomas and Deshawn Parker.

Chester Thomas's Allied Racing Stable. It was also Calhoun's first victory on Champions Day since winning two times back in 2012.

"At the top of the stretch I was looking at Bret and I didn't think we had a shot, and then boom," Thomas said. "We really didn't know what to expect. We thought he'd be alright on the turf. Bret made a good call to run here."

Ridden by Deshawn Parker, Who Took the Money (\$8.80) covered about 1-1/16 miles on firm turf in 1:45.93. Race favorite Mangelsen checked in fourth in the 10-horse field.

"We wanted to get a little better break, but he didn't break too sharp today," Parker said. "He was so relaxed on the backside. When I called on him, he gave me an explosion. He gobbled them up so fast. As soon as I got to them, he just rolled by."

Deshawn Parker aboard Who Took The Money pulls away to capture the Louisiana Champions Day Turf.

## MONTE MAN

### Custom For Carlos - Sarah's My Angel, by Sutter's Prospect

Owner: Ivery Sisters Racing • Breeder: Val C. Murrell

Trainer: Ron Faucheux • Jockey: Adam Beschizza

When trainer Ron Faucheux left New York with his \$25,000 claim in October of 2017 his plan was to target as many lucrative Louisiana-bred sprint stakes races he could with his new 4-year-old gelding.

Monte Man has made that plan in the scope of horse racing work like Amazon's plan in cyber retail.

The 8-year-old war horse has been as good as it gets and rewarded his connections with another Louisiana Champions Day Sprint title at Fair Grounds.

"We're just getting started," joked Faucheux in the winner's circle. "He's every trainer's dream. He's just so consistent. He gives it his all every race. To have an 8-year-old turning nine, stay

sound throughout the whole process, and just continue to progress, it's unbelievable."

Monte Man used his patented late kick from mid-pack under jockey Adam Beschizza to reel in stable mate Bertie's Galaxy, who set an ambitious pace on the front end only to lose by three-quarters of a length. It was another four lengths back to Sir Wellington who checked in third.

It was the second win in a row for longtime Louisiana horse breeder Val C. Murrell and the connections of Ivery Sisters Racing and Faucheux in this race. Monte Man has rewarded Brian Ivery and Ivery Sisters Racing with nine stakes wins and 15 of 18 lifetime wins.

Brian Ivery

"I give Ron and his team all the credit in the world," Ivery said. "The horse is all business and to run in this race four years in a row is something remarkable. Especially when he loss the first two times as the favorite and now wins the last two times he hasn't been the favorite."

The venerable gelding blitzed the six furlongs in 1:09.91 just missing the stakes record of 1:09.71 set by Meteor Impact in 2006. Monte Man has turned his home track into his own playground by winning 10 of 15 starts in New Orleans. He has also banked \$416,220 of his total earnings of \$794,223 at Fair Grounds.

Faucheux exclaimed - "We 100% will go for the three-peat as a 9-year-old!"

Grade one winner No Parole finished last in the 10-horse field as the 1.60-1 favorite. Owner Maggie Moss said he would be retired following the race and stand stud in Louisiana

## OVA CHARGED

Star Guitar - Charged Cotton, by Dehere

Owner: Brittlyn Stable, Inc. (Evelyn Benoit) • Breeder: Brittlyn, Inc.

Trainer: Jose M. Camejo • Jockey: Reylu Gutierrez

Hodges Photography / Lou Hodges, Jr.

With a late charge Ova Charged outruns Cilla to capture the Louisiana Champions Day Ladies Sprint.

Horsemen and fans alike hope the duel between Ova Charged and Cilla in the \$100,000 Ladies Sprint was the first of many battles to be waged under the Gentilly oval.

The two fillies proved their worth in a spirited stretch run that ended with Ova Charged (\$2.80) pushing past just before the wire for a three-quarter length win as the heavy 40-1 favorite.

“I can’t say enough about (trainer) Jose Camejo and what he’s done for me with this horse and all the Star Guitars,” Brittlyn Stable owner Evelyn Benoit said.

Ova Charged now has a 5-4-1-0 record with her only blemish coming in the Grade 3 Victory Ride Stakes at Belmont where she finished second to Souper Sensational.

A daughter of leading

Louisiana bred sire Star Guitar out of the Dehere mare Charged Cotton, Ova Charged almost left herself with too much to do by breaking last in the seven-horse field under Reylu Gutierrez. Meanwhile graded stakes winner Cilla used her speed to hassle longshot Sumitup before taking control of the race with Sarah’s Passion on her outside applying pressure. Cilla was able to shake free at the top of the stretch through solid fractions of 21.89 for the quarter-mile and 45.32 for the half. Ova Charged used a wide move around the turn to aim her sights on Cilla and drifted in considerably while gaining momentum in the long Fair Grounds stretch. Gutierrez was able to find just enough to prevail in the shadow of the wire.

“It’s an honor to ride for Jose’s

stable and to ride Ova Charged,” Gutierrez said of his first Champions Day winner. “What a smart, talented, strong, physically and mentally imposing filly. I am really delighted I can ride her. These were two champions fillies and neither of them deserved to lose.”

Camejo entered Champions Day weekend atop the trainer’s standings and was proud that his filly showed up after winning an allowance race only two weeks earlier.

“I was worried at the beginning because she didn’t break sharp,” Camejo said. “When she was coming home I knew she had a lot of horse left, but I knew she still had to pass Cilla. She got it done and we are so proud of what she did.”

Brittlyn Stables now owns two wins and two seconds in this race the last four years winning the 2019 edition with Minit to Stardom who had finished second in 2018. Mr. Al’s Gal finished second in 2020.

## UNIFIED REPORT

### United - Closing Report, by Closing Argument

Owner: Valene Farms LLC • Breeder: Stephen Brown

Trainer: Dallas Stewart • Jockey: Brian Hernandez, Jr.

Hodges Photography / Lou Hodges, Jr.

Unified Report with Brian Hernandez, Jr. aboard wins the Louisiana Champions Day Juvenile.

Unified Report rewarded the favoritism invoked upon to him to remain undefeated from three races with a win in the \$100,000 Champions Day Juvenile.

The sophomore son of Unified ground his way to the wire holding off maiden Bron and Brow by a half-length. Unified completed the six-furlong task in 1:10.55 in front of eight other rivals under Brian Hernandez Jr. Bron and Brow suffered through a troubled trip for place money a half-length better than pace-setting Charco who checked in third.

Hernandez enjoyed a smooth trip in the two path behind a quartet of dueling leaders as they passed the half-mile pole with Bron and Brow back to his inside.

As Hernandez swung wide for a clear run, Bron and Brow skated off heels checking in traffic. At the eighth pole, Bron and Brow had recovered enough to threaten the winner on his outside but was kept at bay in the final sixteenth.

“He (Unified Report) looked like he was the best horse in the race and I just did my job to try and give him the cleanest trip I could,” Hernandez said. “He’s still young, but he’s gaining experience every time out. He had some speed horses in front of him today so I just let him find his rhythm and when I got him clear, off he went. What really impressed me today was the way he galloped out.”

Owner Murray Valene (Valene Farms) is no stranger to bringing

Murray and Geri Valene

sophomore talent into this race having won the 2020 Lassie with Big Time and the 2018 Juvenile with Classy John. The waters will certainly get deeper for the Unified Report as Stewart contemplates a start back in open company and going two turns some time during the Fair Grounds meet, but right now Valene just wants to enjoy this one.

“I want to thank Dallas Stewart and his team for doing such a great job,” Valene said. “This colt looks like he wants to go longer and he might have the talent to do it successfully.”

It was the third win in this race for Stewart who previously won with both Classy John (2018) and Crimson Stag (2004). Unified Report, bred by Stephen Brown, is from Unified’s first crop and is out of the Closing Argument mare Closing Report.

**B**uckley Bunny rallied from second to last in an 11-horse field to pull off a tote board shocker in the penultimate race on Champions Day for Whispering Oaks Farm and trainer Steve Flint.

Buckley Bunny with Kevin Smith aboard wins the Louisiana Champions Day Lassie.

Dismissed at odds of 93.20-to-1, Buckley Bunny ground her way to a three-quarter length score over post time favorite Free Like A Girl. Medley was a neck back in third. Buckle Bunny covered the six furlongs in 1:11.76.

“I just followed my directions with her,” said Delta Downs-based jockey Kevin Smith. “The plan was just letting her settle herself in and make one run with her. Mr. Steve (Flint) said don’t rush her. I took her back and waited until the three-eighths pole and let her run. When I let her go, she fought.”

Smith found himself back in ninth behind contested fractions of :21.98 and :45.86 but the daughter of Iron Fist was able to pass a couple horses midtrack on the turn

before swinging five-wide in the lane for her sustained run.

“Kevin rode her to a tee,” Flint remarked. “I don’t think she had any pace to run into last time. Today we had some pace and I told him don’t move until you hit that 3/8ths pole and let’s see what we got.”

Buckley Bunny was bred by Whispering Oaks principle Carrol Castille and Steve Asmussen, who together campaigned the sire Iron Fist to over \$1 million in career earnings. Buckley Bunny won her debut before entering the Lassie on a four-race losing streak. Her upset win returned \$188.40 and pushed her career earnings to \$93,660.

## CARPE DIEM

On December 9, the Louisiana breeding industry gained a significant new addition to its stallion colony. Previously a sire at WinStar Farm, multiple Grade 1 winner Carpe Diem has been relocated to Acadiana Equine at Copper Crowne. The property of a syndicate headed by Dawn and Jeff Picard’s Picard Racing and Acadiana Equine’s David Tillson, the stallion is slated to stand the 2022 season for \$3,500—a very reasonable price given his combination of performance, pedigree, conformation, and previous stud performance.

Carpe Diem first seized attention in the auction ring. A \$550,000 yearling at the 2013 Keeneland September sale, he commanded a sale-topping price of \$1.6 million at the 2014 Ocala Breeders’ Sales select-ed sale of 2-year-olds in training after turning in a smooth furlong in :10.1 during the under tack show. He justified his price tag by breaking his maiden in a 5½ furlong maiden special weight at Saratoga, earning designation as a “Rising Star” from Thoroughbred Daily News. He then headed to Keeneland for the 8½ furlong Claiborne Breeders’ Futurity (G1). Cruising close to the early pace as the 2-1 favorite, he got to the front after six furlongs and from there on widened away, hitting the wire 6¼ lengths ahead of eventual millionaire Mr. Z. Future Travers Stakes (G1) winner Keen Ice was in the beaten field, as was three-time juvenile stakes winner Conquest Tsunami (a grade 3 winner at 3). Carpe Diem was not quite able to complete a perfect season in the Sentient Jets Breeders’ Cup Juvenile (G1) but closed well to take second behind Texas Red after lagging early on.

Considered a prime Triple Crown prospect, Carpe Diem jumped straight into graded stakes company to begin his 3-year-old season. He lived up to the confidence placed in him by rolling to a five-length win in the 8½ furlong Tampa Bay Derby (G2). Next up was the Toyota Blue Grass Stakes (G1), and Carpe Diem handled both the return to grade 1 company and the nine-furlong distance with equal aplomb. Never really pushed during the race, he sailed home by three lengths. Unfortunately, that was the last win of his

career; after a shocking 10th-place finish in the Kentucky Derby—Presented by Yum! Brands (G1), he was initially pointed to the Belmont Stakes (G1), ended up passing on that race, and was retired six weeks later due to a knee chip. He ended his career having won four of his six starts with earnings of \$1,516,800, and was the only one of Giant’s Causeway’s sons to win grade 1 races on dirt at both 2 and 3.

Represented by 84 individual winners in 2021 including stakes winners Wait for Nairobi and Bella Aurora and grade 2-placed Thissmytime, Carpe Diem bankrolled over \$4.6 million in progeny earnings last year, compared to 57 winners and \$2.14 million for the late two-time Louisiana leading sire Half Ours (who was leading the Louisiana 2021 sire lists in both categories prior to Carpe Diem’s transfer). From the 328 named foals in Carpe Diem’s first three crops, he has sired 129 winners, including 54 that broke their maidens as juveniles—and, as might have been expected from his own racing performance, his progeny have tended to improve with maturity. He also seems to have been transmitting enough speed for his runners to be effective at a mile or less, while leaving the possi-

bility of getting two-turn runners open.

Giant's Causeway, the sire of Carpe Diem, needs little introduction. The 2000 European Horse of the Year, the son of Storm Cat and the important broodmare Mariah's Song (by Rahy) led the American general sire list three times and is the sire of the noteworthy stallions Shamardal, First Samurai, and Creative Cause. He is also the sire of the young sire sensation Not This Time, the leading second-crop stallion in 2021 and the sire of 17 stakes winners including potential 2022 Triple Crown hopeful Simplification from his first two crops.

On the dam's side, Carpe Diem has equally impressive pedigree credentials. He is out of the stakes-winning Unbridled's Song mare Rebridled Dreams, making him a half brother to 2010 Dixiana Breeders' Futurity winner J. B.'s Thunder (by Thunder Gulch), to multiple grade 2 winner Farrell (by Malibu Moon), to Group 3-placed multiple stakes winner Doncaster Rover (by War Chant), and to Grade 2-placed Semper Fortis (by Distorted Humor). Rebridled Dreams, in turn, is out of multiple New York stakes winner Key Cents (by the Danzig horse Corridor Key), whose dam Centimeter (by 1982 Preakness Stakes, G1, winner Aloma's Ruler) is a half sister to stakes winner Onproviso (by Wajima).

Wait for Nairobi, one of Carpe Diem's leading performers, is out of a mare by the Storm Cat son Tabasco Cat, so it appears that Storm Cat inbreeding need not be avoided with Carpe Diem provided that the mare is free of the offset knees commonly passed down by Storm Cat. The Danzig line also appears to be a

promising cross, although the same caveat applies regarding knee problems, and other pedigree elements that may work well with Carpe Diem include A.P. Indy, Blushing Groom, and non-Fappiano lines of Mr. Prospector, particularly Carson City and Forty Niner.

In conformation, Carpe Diem is what might be expected from his high price as a 2-year-old: a good-sized, handsome, lengthy individual. Blessed with the strong body, hip, and hindquarters typical of the Storm Cat tribe, he is somewhat leggier than most of that lineage thanks to the influence of Unbridled's Song. His shoulder is well angled and he is muscular without being coarse or blocky, making him a good choice both for a strongly made mare that needs a bit of leg added to her foals and for a lightly made mare that needs more muscle and power. All in all, he offers a complete package to mare owners and should be a welcome addition to Louisiana breeders' options.

# 2021 LOUISIANA FUTURITIES by Tom Early

The Louisiana Futurity was first run in 1963 with the winner, Mr. Burke, receiving \$12,180 for the winner's share. At that time the race was opened to both sexes. In 1965 it was decided to add a Filly Division and the race has been split by sex ever since. Several years actually had multiple divisions of both sexes but the last time there was more than one for each sex was 1996 when the filly division was split. At one time the Louisiana Futurity was one of only a few opportunities for an Accredited Louisiana Bred to win any significant amount of money. With the decline in the number of foals born in the state and the addition of four "State Bred" days of racing the opportunities have greatly increased. Still, the Louisiana Futurity, which is traditionally run at the end of December, gives breeders one final shot at getting a juvenile stakes winner to cap off the year. Here is a recap of the 59th edition of the races run this year.

## Colt & Gelding Division **BRON AND BROW**

**Gormley - Changing Vista, by Changeintheweather**

Bron And Brow with Adam Beschizza aboard wins the 58th running of the Louisiana Futurity - Colts and Gelding Division at Fair Grounds. Hodges Photography / Lou Hodges, Jr.

Although Bron and Brow entered the starting gate for the Colt and Gelding Division of the Louisiana Futurity he was the less than even money favorite in the field of five starters. His most recent start was a second in the Louisiana Champions Day Juvenile where he was beaten by just half a length after a troubled trip in the race.

Bred my Jay Adcock and Hume Wornall the son of freshman sire Gormley was initially sold at the Equine Sales of Louisiana Yearling Sale for \$35,000. Offered for sale at the Ocala Breeders Sales Company Spring Sale he brought a final bid of \$200,000 from Grassroots Training & Sales after working an eighth of a mile in 10

flat. Currently racing for Gary Barber with trainer Mark Casse, Bron and Brow sports a record of three starts with a win, second and third and earnings of \$91,820.

Bron And Brow is the second stakes winner out of the Changeintheweather dam, Changing Vista, who previously produced Louisiana Cup Juvenile Filly win-

ner Emily's Lollipop for her breeders. Changing Vista has a yearling colt by Brody's Cause and was bred to Mo Tom for a 2022 foal.

## Filly Division **FREE LIKE A GIRL**

### **El Deal - Flashy Prize, by Flashy Bull**

**F**ree Like A Girl easily scored in the filly division. After stalking the early pace from the three path she made her expected move entering the stretch and coasted home to an easy six plus lengths victory.

Purchased from her breeders, Kim Renee Stover and Lisa Osborne, at the Equine Sales of Louisiana Yearling Sale for \$5,500 the daughter of El Deal has proven to be a great bargain for owners Gerald Bruno, Carl Deville and her trainer/part owner Chasey Deville Pomier. In addition to the \$65,760 winner's share of the Louisiana Futurity purse, Free Like A Girl won three additional stakes to put her earnings for the year at \$281,473. This is the most by any Accredited Louisiana Bred Two-Year-Old Filly since Asta's Foxy Lady earned more than \$300,000 in 1993.

Free Like A Girl's earning also assured that her sire, El Deal,

Free Like A Girl with Chasey Deville Ponier aboard wins the 55th running of the Louisiana Futurity - Filly Division at Fair Grounds. Hodges Photography / Jan Brubaker

(standing at Jay Adcock's Red River Farms) is the leading Freshman Sire in Louisiana for 2021.

Free Like A Girl is the first

stakes winner produced by her dam. Flashy Prize had previously produced the multiple stakes placed runner, Free Indeed and has a Two-Year-Old colt by Guilt Trip.

# HE'S THE MAN MONTE MAN

Intrepid Sprinter Treasured by His Connections and Louisiana Racing Fans  
Retires following Louisiana Champions Day

By Martha Claussen

Monte Man wins the 2021 Louisiana Champions Day Sprint in the final start of his career.

Louisiana Champions Day at Fair Grounds is always special as breeders, owners and scores of racing fans dress up and salute quality Louisiana-breds in day-long stakes competition. The 2021 edition of the race was all that, but

with a bittersweet ending as one of the most durable and endearing stakes winners, Monte Man, defended his title in the Sprint, and then was retired.

His unique story began in Louisiana on February 1, 2013 at

Val Murrell's Clear Creek Stud in Folsom, Louisiana. Sired by Custom for Carlos out of Sarah's My Angel, Murrell vividly remembers that Monte Man was special.

"He was a grand individual," stated Murrell. "It was the first crop

of Custom for Carlos and his dam, Sarah's My Angel was a very nice mare; all of her babies were winners."

Monte Man was sold for \$55,000 at the 2014 Fasig-Tipton Select Yearling Sale in Kentucky, and one year later was purchased for \$125,000 at the Ocala Breeders' Sales Company March 2015 Two-Year-old in Training Sale.

It was a rough debut for the bay gelding on January 16, 2016 at Aqueduct, finishing sixth and off the board in his first four career starts in New York. On May 19, he ran a game second in a \$40,000 claiming race at Belmont Park. He made 21 starts on the New York circuit in the barn of several trainers including Linda Rice, John Terranova and Hall of Fame conditioner Steve Asmussen, before he was claimed by Brian Ivery for \$25,000 on October 17, 2017.

Ivery, 47, owns a commercial construction company in Ithaca, New York. He met trainer Ron Faucheux nine years ago at Saratoga.

"Ron and I became friends and had our eye on Monte Man," shared Ivery. "We were very lucky to get him for \$25,000. I live in upstate New York, but have always enjoyed the city of New Orleans. Ron knew that there were plenty of stakes opportunities for Louisiana-breds."

Monte Man made his first start in the Pelican State on December 23, 2017. Robby Albarado was in the saddle, winning the \$43,000 optional allowance claiming race from off the pace, covering six furlongs in 1:11.33. He returned to the Fair Grounds winner's circle one month later, also with Albarado in the saddle. Two wins off the claim was encouraging for his connec-

tions.

"As an owner, I've had plenty of ups and downs," said Ivery. "Some of the horses meet our expectations and some don't. Ron and I always believed in Monte Man, but had no idea that he would have the kind of success he did when he left New York and headed to Louisiana."

What he did was to win seven consecutive races in Louisiana, including his first stakes, the \$120,000 Louisiana Premier Night Sprint at Delta Downs on February 10, 2018. With jockey Gerard Melancon aboard, Monte Man overcame a poor break, but got into gear and rallied four wide off the turn to win by a neck over a sloppy track. He earned a 112 Beyer Speed Figure to the delight of Ivery, whose Ivery Sisters Racing silks are named for his three daughters: Zoe, Flynn and Harper.

"Monte Man broke so badly, but

*“Ron and I always believed in Monte Man, but had no idea that he would have the kind of success he did when he left New York and headed to Louisiana.”*

Brian Ivery

finished incredibly well,” recalled Ivery. “Even Gerard felt the ‘wow’ factor!”

Monte Man made 50 starts in his storied career, winning 18 races and purses of \$794,223, including stakes at each of the four Louisiana racetracks. Fans at Delta Downs, Louisiana Downs, Evangeline Downs, and of course, Fair Grounds all enjoyed his tenacity.

Louisiana native Melancon celebrated his 5,000th career win last June and was proud to be part of Monte Man’s prolific run in Louisiana.

“He had amazing instincts and would tell me where to go,” added Melancon. “If the pace was slow, he’d go to the lead; if the fractions were fast, he knew what he had to do. It’s fun to ride the good ones! I was blessed to ride him.”

Ivery lauded both Melancon and Adam Beschizza for not only their skilled rides, but giving Fauchaux “really good input” throughout Monte Man’s 29 starts in Louisiana. He has three Louisiana-breds in training and looks forward to watching them progress.

Fauchaux is understandably emotional as he reflects on the accomplishments of Monte Man. Over the 5-years that Monte Man ran in Louisiana, Fauchaux mourned the deaths of two assistants: Joey Fontenot and more recently Cory Kofalt. His current assistant Noely and grooms Jorge and Miguel have each been a part

of the team.

“He is the horse that defined me and my team,” stated Fauchaux. “As a trainer, you always want to have one big horse in the barn. Sending him off to retirement has been hard for all of us, but we are appreciative for his many wins and to see him return to full force in his final start.”

Credit to Joe Kristufek and Kevin Kilroy at Fair Grounds for publicizing the retirement of the 9-year-old Monte Man following his Louisiana Champions Day Sprint victory on December 11. In their press release, they included the iconic call of track announcer John Dooley who heralded the defending champion with these words:

"Here comes the gladiator, Monte Man, with that battler's heart

for Adam Beschizza. Monte Man now an 18-time winner—well done Monte Man!"

Adam Beschizza piloted Monte Man to three stakes wins at Fair Grounds, beginning with the 2018 Costa Rising, ;the 2020 Louisiana Champions Day Sprint at Fair Grounds and the 2021 edition of the championship, which proved to be the final race of his career.

“I didn’t think any of us thought it would be his last hurrah,” he said. “He was very versatile and talented. His enjoyment for racing never waned and he instilled confidence into me as a jockey. Sometimes he thrived on getting into trouble, but became very wise toward the end of his career.”

On Sunday, December 12, Beschizza went to Fauchaux’s barn to bid farewell to Monte Man. He posted a photo on social media standing in front of the handsome bay gelding.

“He’s a bit herculean and I’m pretty small,” said Beschizza. “He was a true racehorse and one I will never forget.”

“Brian and I have talked about retiring Monte Man and always knew it would be bittersweet,” admitted Fauchaux. “He has given so much to us and deserves a quality retirement.”

So it’s fitting that the breeder who brought Monte Man into the world, will bring him home.

“Monte Man has been special from day one,” added Murrell.

*“Sending him [Monte Man] off to retirement has been hard for all of us, but we are appreciative for his many wins and to see him return to full force in his final start.”*

Ron Faucheux

“When I heard John Dooley’s call, it sent chills down my spine.”

Will he live his life in luxury, grazing in the pasture at Clear Creek Stud, just one hour north of his noted history at Fair Grounds or will that smart Louisiana-bred warrior transition to a second career? Murrell’s son, Jerold, is a veterinarian and polo player and envisions Monte Man as a potential star who would dazzle the well dressed, champagne drinking attendees. It’s not difficult to imagine the gallant sprinter charging onto the polo field saying “this chuckker is mine!”

Trainer Ron Faucheux

Here’s hoping that will happen, but even if it does not come to fruition, Monte Man has earned a well-deserved place in the hearts of his connections and countless scores of racing fans.

### IMPORTANCE OF MONITORING PREGNANCY IN MARES

Not every conception ends in successful pregnancy. It pays to check broodmares to make sure they are still pregnant (especially in early pregnancy) and that everything is going smoothly. Fourteen days is a good time to do the first evaluation, not only to know whether the mare is pregnant, but also to check the health of the embryo and whether it is appropriate size for that stage of pregnancy, and to know if there are twins.

Maria Schnobrich VMD, DACT (theriogenologist at the LeBlanc Center for Reproduction, Rood and Riddle, in Lexington, Kentucky) says the most critical ultrasounds are the early evaluations. Thoroughbreds have high incidence of twins. In some cases 20% of ovulations are double (2 eggs released). It is important to prevent the unwanted outcomes associated with twin pregnancies.

“Additionally, because we often use drugs to make mares ovulate, this also increases the chances of double ovulation. The reason it’s good to do this ultrasound check at about 14 to 15 days is that if twins are identified, it is easiest to eliminate one of them at that point,” she explains.

The next check should be done before 35 days gestation to make sure the embryo is still present, and growing appropriately. After 35 days the endometrial cups form in the uterus. “These structures come from the placenta, embed into the uterine wall. The endometrial cups cause the mare to form

CL structures that produce progesterone. If the mare loses the pregnancy at 45 days or so, the CL structures are already there, and in about 99% of cases they will keep the mare from returning to normal estrus until about 120 days,” says Schnobrich.

At that point, your breeding season may be lost for that mare; she will not return to estrus in time to breed her again that year. You might assume she’s still pregnant unless you do an ultrasound check. She often acts as if she is pregnant, and may not tease, and there is no change in the way she looks.

“Another reason to do the ultrasound at about 33 days is to see if the pregnancy is developmentally normal. The mare may be pregnant but if the structures present don’t look healthy and you can catch it before the endometrial cups form, you can eliminate the unhealthy pregnancy and start over. Then the mare will return to heat so you can breed her again that year,” Schnobrich explains.

“In our practice I do a 14 and 16 day ultrasound, and a 28-day check, because at that stage of development I can tell if the embryo is appropriate. It’s also early enough, that I can monitor it for a few days before those cups form, and make a decision whether we are going to keep the pregnancy or not,” she says.

The next check, which is optional, is at 42 days. “The main reason for that check is that most losses tend to occur during the

time between when pregnancy is established and 42 days. After 42 days, the risk for loss is usually minimal unless it’s an old mare or she has some other kind of problem,” says Schnobrich.

The other window for checking is if the owner wants to know the gender of the fetus. “Fetal sexing can be readily done between 55 and 70 days. We can tell if the fetus is male or female, based on position of the “genital tubercle”. This is a little pointy structure that will be either behind the umbilicus or under the tail head,” she says.

“Minimum requirement after that 60-day check would be doing one check in the fall to make sure the mare is still pregnant.” If she is open (if she lost the pregnancy after endometrial cups formed) decisions should be made about treating her and trying to prepare her for the next breeding season, such as putting her under lights.

If she is still pregnant, it’s wise to do another check in January just to make sure the pregnancy is healthy and progressing normally. “Some of my clients have me check mares every month during late pregnancy, starting at 150 to 200 days, measuring and evaluating the placenta for changes. Some years we see increased incidence placentitis,” says Schnobrich.

The most common cause of late-term abortion in mares is placentitis, which is inflammation and infection of the placenta. The most common type of placentitis is due to bacteria from the environ-

ment that ascend through the vagina and cervix and into the uterus. Signs of this ascending placentitis include early mammary development and lactation and discharge from the vulva. Bacteria from an ascending placentitis enter the fetal fluids, infect the foal and often cause abortion if not identified early.

Nocardiform placentitis is less common. It is caused by bacteria called actinomycetes, and usually affects only the interface between the placenta and the uterine lining. Often thick mucus lesions on the placenta are seen by ultrasound on the fetal membranes in the uterine body and base of the uterine horns. Outcomes from this disease range from abortion to healthy foals, often related to how much of the placenta was affected. The infection interferes with nutritional support from the placenta, so the foal is either aborted or born undersized and underdeveloped.

“We’ve seen a higher incidence of this problem in recent years, and started evaluating some of these mares with transabdominal ultrasound to differentiate between these two types of infection. The standard of care for some equine pregnancies, is to do at least one ultrasound in late gestation to look at the placenta. We can often identify a mare that is starting to have issues. We can see a thickening of the placenta or changes including the fetal fluids are becoming cloudy,” Schnobrich explains. Treatment at that point can be started even before signs like udder development, giving a better chance to salvage the pregnancy and save the foal.

“Transabdominal evaluation is important because there may be

lesions you’d see in that location that are not where you can view trans-rectally. Nocardiform placentitis is an example of a disease that usually can only be diagnosed with transabdominal ultrasound. By catching these cases earlier, we are more likely to get a live foal, and in some cases prevent some of the damage. We can’t save all these foals, but if it is a valuable pregnancy, I encourage owners to think about doing one more pregnancy scan in late gestation,” she says.

Affected mares can be treated with antibiotics, anti-inflammatory medications, and a high dose of a progestin-like hormone. Early treatment reduces the number of abortions, and may improve foal survival.

“A late gestation ultrasound can identify a possible problem, and also helps as you prepare to foal the mare, to identify anything you should be aware of. Is the placenta very thick? Are there other signs of a compromised pregnancy? You may need to send the mare to a hospital so she can be monitored more closely, and have additional help available for the foal when it arrives,” says Schnobrich. Professional help to give the foal intensive care may make a difference in whether or not it will survive.

“These ultrasound checks tell us a lot about the pregnancy and give people peace of mind, or can prepare them for what’s coming, so they can be efficient in treatment,” she says. If it’s a valuable foal you want to find out if there is something you could do to minimize risks.

“In terms of value of some of these animals, compared to cost of an ultrasound (anywhere from \$75 to \$200) it is well worth it. The

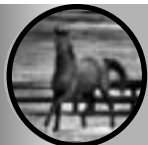

pregnancy has come that far, so you don’t want to risk losing it. On farms where I have looked at the pregnancies every month, many of the detrimental changes happen in the last 30 days before foaling.”

If a breeder has noticed that a lot of the placentas are not normal, it may be worth screening the broodmare herd with ultrasound or hormone evaluations. It also pays to have someone checking/watching mares who is astute at noticing subtle changes. There may be external signs and clues that something isn’t quite right—such as a mare starting to develop an udder too soon, or a discharge from the vulva.

“For the mares that develop an udder too soon, it is a good idea to ultrasound them rather than just putting them on treatments. The ultrasound may be able to tell you what is going on, and this might change the drugs you decide to use. Sometimes the fetus is dead already, and by putting the mare on all these treatments without checking to make sure the foal is alive, you could put the mare at risk for laminitis or death. You need to know the health and status of the fetus,” says Schnobrich.

“Some breeders or veterinarians have a minimal ultrasound schedule that only includes a 16-day scan and a 42-day scan and maybe one more. I feel we really should be checking at 14 days to check for twins. Some of the additional scans are optional, but can help you know how the pregnancy is doing. Even if the pregnancy is compromised, you’d be able to know why, and possibly administer treatment earlier another time for a different outcome the next time the mare is pregnant,” she says.

### BREEDING NEWS

#### **Carpe Diem Relocating to Acadiana Equine**

WinStar stallion Carpe Diem has been sold and will take up stud duty in Louisiana for 2022, the farm announced in December.

Carpe Diem will be syndicated in Louisiana by a group led by Picard Racing (Dawn and Jeff Picard) and David Tillson and he will stand the upcoming breeding season at Acadiana Equine at Copper Crowne in Louisiana. By Giant's Causeway out of the graded stakes-placed Unbridled's Song mare Rebridled Dreams, Carpe Diem, was a dominant Grade 1 winner at two and three for WinStar Farm and Stonestreet Stables and an earner of \$1,519,000.

Carpe Diem is the sire of 11 black-type horses in 2021, led by stakes winners Bella Aurora, Wait for Nairobi, and graded stakes-placed Thisismytime, runner-up in the Grade 2 Inside Information Stakes. A \$1.6 million juvenile purchase, Carpe Diem is also a leading 2021 sire of 2-year-olds this year (21 juvenile winners) and is represented by Romancer, runner-up in the \$500,000 Juvenile Sprint Stakes at Kentucky Downs.

#### **Classic Winner, Leading Sire Exaggerator Moves to Elite Thoroughbreds**

A partnership recently closed on a deal to buy multiple graded-placed, grade 3 winner Strike Power, who will enter stud at Red River Farms near Coushatta, La. The 7-year-old son of Speightstown will stand for \$2,000 with a stands and nurses guarantee.

"Being by Speightstown and running a 102 Beyer in his first start were the first things that got our attention," said Jay Adcock with

Red River Farms. "Then he showed he could run two turns in the Fountain of Youth."

Strike Power won his debut at 2 at Gulfstream Park by eight lengths. At 3, he started off by winning the Swale Stakes (G3) and was second in the Xpressbet Fountain of Youth Stakes (G2). He placed second in two more graded stakes, the True North Stakes (G2) and Maryland Sprint Match Series Stakes (G3). Strike Power retired with a 4-4-1 record from 20 starts and earned \$497,935.

Strike Power is out of the stakes-placed Medaglia d'Oro daughter Gold d'Oro, who won from 3 to 5 and was third in the 2012 Suwannee River Stakes (G3T). Gold d'Oro is out of the Mr. Prospector winner Gold Canyon, making her a half sister to Lane's End Stakes (G2) winner and sire Adriano.

Speightstown is the fifth-leading North American sire of 2021 by progeny earnings (more than \$14 million) and sired 14 black-type winners, including multiple grade 1 winner and multimillionaire Charlatan.

## OBITUARIES

### Morris Nicks

Longtime trainer Morris Nicks, also the father of trainer Ralph Nicks, died Nov. 25 at home in Waskom, Texas, at age 74. He had been battling cancer.

“His upbringing and bringing me up was to have a good work ethic and to start doing things early,” said Ralph, who trained 2017 champion 2-year-old filly Caledonia Road. “If you were big enough to hold a pitchfork, you were big enough to start cleaning a stall. Basically if you were big enough to walk, you learned how to lead a horse; the list goes on from there. It’s how he brought me around, which probably has to do with some of the things I was able to accomplish and carry on.”

Morris was born in Clarksville, Texas, and grew up in the nearby town of Avery. He became a mainstay at the Southwest racetracks. Since official statistics began being tracked in 1976, he trained 819 Thoroughbred winners that earned \$15,737,189 through 2018, according to Equibase. Morris retired in 2018 due to leukemia.

### Gary Paul Palmisano Sr.

He had a gift and passion for the horses, which was evident in his very successful statistics throughout his racing career. Gary valued and truly cherished the many friendships that were formed from his years on the racetrack, and his track family always held a special place in his heart. He earned the love and respect of so many people within the industry. When he was away from the racetrack he also enjoyed fishing and playing the guitar.

Survivors include his wife of 38 years, Karen Mull Palmisano, and his son, Gary Paul Palmisano Jr., daughter-in-law Megan Albritton Palmisano and granddaughter Addison Grace Palmisano.

Grove’s bloodstock advisor Andrew Cary (Cary Bloodstock) brokered the deal.

“No Parole was our first Grade I winner as a breeder and that is so exciting for us,” said Ginger Myers. “We’ve been interested in where he would go next when his racing career was completed. To be able bring him back to Louisiana and stand him close to home at Whispering Oaks is a dream come true for us,” said Keith Myers. “We look forward to supporting him with quality mares from our farm.”

“We are very excited to be standing Louisiana-bred Grade 1 winner No Parole at Whispering Oaks,” said Whispering Oaks owner Carrol Castille. “We are big supporters of the Louisiana breeding industry and it’s great to be able to keep a homegrown Grade 1 winner like this here to stand at stud. He showed tremendous talent and fits in perfectly with the other stallions on our roster.”

No Parole began his career in devastating fashion, winning his first three starts by a combined 34 lengths, including the Premier Night Prince Stakes at a mile. ### **Jockey Thornton Honored at Delta Downs**

Tim Thornton set a single day track record for wins by a jockey on Saturday, October 23 when he rode seven winners during a 10-race program. The feat eclipsed the old mark of six wins in a day set by Steve Bourque and current rider Ashley Broussard.

Thornton's accomplishment was honored by Delta Downs during its live program on Saturday as Vice President and General Manager Steve Kuypers commented on the accomplishment.

"It's something special when a rider wins two or three races in one day, but to visit the winner's circle seven times on a single card is just amazing," said Kuypers.

Thornton was humble about what he had just achieved.

"It's always awesome to win races," Thornton commented. "I just took it one race at a time and kept trying to put horses in the right spot to win and luckily they were all fit and ready to go. I was able to get them there."

Thornton has dominated the jockey standings at Delta Downs since he moved his tack to Vinton, Louisiana in 2017. This season he ranks at the top once again as he

attempts to win his fourth consecutive riding title.

### **Veteran Jockey Robby Albarado Retires**

Jockey Robby Albarado, a winner of more than 5,000 races and the regular rider of Hall of Famer Curlin, has decided to retire. The 48-year-old rider ended his career Saturday, December 11.

Albarado started out at the bush tracks in his native Louisiana and earned his first official win in 1990 at Evangeline Downs. He continued to ride in Louisiana, Arkansas and Illinois before becoming a regular on the Kentucky circuit in 1996. By the mid-nineties, he had established himself as one of the leading riders in the Midwest. In 1998, he won 269 races with earnings of \$9,366,585. That same year, he won his first two Grade I races, winning the Three Chimneys Spinster and the Turf Classic at Churchill Downs.

Albarado had his share of injuries and twice fractured his skull, but didn't allow that to slow him down. In 2003, he picked up the mount on Mineshaft and won four graded stakes on him on his way to the Horse of the Year title.

He won his first Triple Crown race in the 2007 GI Preakness aboard Curlin. He rode Curlin in all but one of his 16 career starts, which included wins in the GI Dubai World Cup and the GI Breeders' Cup Classic.

In 2020 he picked up the mount on 3-year-old filly star Swiss Skydiver (Daredevil) and rode her to wins in the 2020 Preakness and, the 2021 GI Beholder Mile.

According to Equibase, Albarado has 5,222 career wins

from 34,113 mounts and has earnings of \$221,560,458.

Albarado plans on becoming a jockey agent.

### **Wagering On U.S. Racing Highest Since 2009**

According to figures released Wednesday Jan. 5 by Equibase, \$12,218,407,637 was wagered on horse racing in the U.S. in 2021. The figure marks the first time betting has topped \$12 billion since 2009 when \$12.315 billion was bet.

Wagering peaked in 2003 when \$15.18 billion was bet.

Wagering was up 11.86% over 2020, when \$10,922,936,290 was bet during a year in which the pandemic kept several tracks closed for parts of the year. A better comparison may be 2019, when \$11,033,824,363 was wagered. The 2021-versus-2019 numbers show a 10.74% increase.

There were 4,072 race days in 2021 versus 3,302 in the prior year. The average amount wagered per race day dropped, from \$3,307,976 to \$3,000,591, a decline of 9.29%.

Purses also showed a dramatic increase during the year. Total U.S. purses for the year were \$1,180,853,677, a 35.77% increase over 2020.

Average purses per race day were \$273,871 in 2021, a 9.91% increase from 2020 numbers.

Field sizes continued to decline in 2021. The average field included 7.37 runners, down 7.2% from 2020 when the average field size was 7.94.

### **Equibase Adds Charts Featuring GPS Data**

Equibase, the Thoroughbred industry's official database for rac-

ing information, announced Oct. 22 the addition of result charts that include data collected from global positioning satellite systems.

During the running of the race, the GPS system collects a comprehensive data set every half second for every horse in the race. The charts will enable users to see this data at the traditional points of call, as well as at one-sixteenth-mile

intervals. In addition to traditional information such as lengths ahead and lengths behind, data such as each horse's sectional and cumulative time, average speed, number of strides, average stride length, and average strides per second are included in each GPS chart.

The new GPS charts are free for registered users of equibase.com and can be found next to the tradi-

tional result charts for each track utilizing the automated tracking technology.

Equibase has GPS systems in place at Canterbury Park, Colonial Downs, Del Mar, Golden Gate Fields, Hollywood Gaming at Mahoning Valley Race Course, Penn National Race Course, Kentucky Downs, Laurel Park, Monmouth Park, Oaklawn Park,

The Texas Thoroughbred Association and Lone Star Park at Grand Prairie have announced that the 2022 Texas 2-Year-Olds in Training Sale will be held on Wednesday, April 6, at the Dallas-area racetrack. The breeze show will be held Monday, April 4.

The 2022 Texas 2-Year-Olds in Training Sale comes on the heels of the strong 2021 Texas Summer Yearling Sale. That sale saw an increase in the number of horses cataloged and sold, average and median sale prices.

The sale will be held about three weeks before Lone Star Park kicks off its 2022 Thoroughbred meet starting on April 28th. As usual, the Texas Thoroughbred Assoc. Futurity, for TTA Sales graduates and Accredited Texas-breds made eligible through consignor or buyer berths, will be held on closing weekend at Lone Star with two divisions, each at \$150,000 guaranteed.

### NTRA Announces H-2B Visa Cap Supplement

The National Thoroughbred Racing Association (NTRA)

reported in December that the U.S. Department of Homeland Security (DHS) and the Department of Labor (DOL) published a joint temporary final rule to make available an additional 20,000 H-2B visas for the first half of fiscal year 2022 that ends on March 31, 2022. This is the first time the DHS has provided supplemental H-2B visas in the first half of a fiscal year.

The supplemental H-2B visa allocation consists of 13,500 visas available to returning workers who received an H-2B visa, or were otherwise granted H-2B status, during one of the last three fiscal years. The remaining 6,500 visas, which are exempt from the returning worker requirement, are reserved for nationals of Haiti and the Northern Triangle countries of Honduras, Guatemala, and El Salvador.

Currently, Congress has set the H-2B cap at 66,000 per fiscal year, with 33,000 for workers who begin employment in the first half of the fiscal year (Oct. 1 – March 31) and 33,000 for workers who begin employment in the second half of the fiscal year (April 1 – September 30).

For the horse racing industry, racehorse trainers rely heavily on the H-2B program to fill various backside positions. Demand for H-2B visas often exceeds their availability and the cap level is quickly reached, leaving employers without sufficient help.

He came to the United States at age 17 and recorded his first North American win as a jockey at Calder Race Course aboard Elian for trainer George Heath on Sept. 7, 2003.

Mena fell from a mount on March 15, 2018 at Fair Grounds which resulted in eight severe fractured bones in his ankle and heel. Following eight months of strenuous physical therapy, he returned to the saddle in September and rode his first race back from injury on Oct. 25, 2018 at Keeneland. The comeback was recognized in February 2020 when he was named winner of the first Randy Romero Pure Courage Award that recognizes an active jockey who has overcome adversity.

On July 4, 2020, Mena hit the 2,000-win milestone aboard Royal Commission at Ellis Park.

This year, Mena had won 49 races from 516 mounts with purse earnings of \$2,867,960.

### TAA Accredits 29 Organizations

The Thoroughbred Aftercare Alliance [TAA] announced November 12, 2021 that 29 Thoroughbred aftercare organizations have been awarded accreditation.

The 29 organizations include 25 previously accredited organizations

and four that received accreditation for the first time. The TAA, the only accrediting body in Thoroughbred aftercare, now has a network of 82 organizations with approximately 180 facilities in North America.

The 29 organizations earning accreditation this year are: ACTT Naturally, Inc.; After The Homestretch; Akindale Thoroughbred Rescue; Beyond The Roses Equine Rescue & Retirement; Blue Bloods Thoroughbred Adoption and Placement, Inc.; Circle A Home for Horses; Florida Thoroughbred Retirement and Adoptive Care (Florida TRAC); Hope After Racing Thoroughbreds; Hope for Horses, Inc.; Horse and Hound Rescue Foundation; James

River Horse Foundation; Life Horse; LongRun Thoroughbred Retirement Society; Lucky Orphans Horse Rescue; New Beginnings Thoroughbreds, Inc.; New Stride Thoroughbred Adoption Society; Racing For Home, Inc.; Redwings Horse Sanctuary; ReRun, Inc.; Second Wind Thoroughbred Project, Inc.; Secretariat Center; South Florida SPCA; Southern California Thoroughbred Rescue; Therapeutic Horses of Saratoga; Thoroughbred Placement Resources, Inc.; Thoroughbred Retirement Foundation; Thoroughbred Retirement of Tampa, Inc.; Virginia Thoroughbred Project; Win Place Home, Inc.

TAA accredited organizations undergo a thorough application and

inspection process prior to accreditation being awarded to ensure they meet Code of Standards, which covers five key areas: operations, education, horse health care management, facility standards and services, and adoption policies and protocols. Facility inspections are conducted at all facilities housing Thoroughbreds for each organization. Ongoing updates and re-inspections are required of all organizations as a condition of accreditation.

All organizations that hold TAA accreditation are eligible to receive financial grants to support the care of their Thoroughbreds. Since 2012, the TAA has awarded \$20.7 million to accredited organizations.

**Louisiana Thoroughbred Breeders Association  
Board of Directors Meeting  
October 15, 2021

Lafayette, Louisiana  
1:30 p.m.**

**Directors Present:**

Brett Brinkman  
Charlotte Clavier  
Jake Delhomme  
Tom Early  
Daniel Guidry  
Warren Harang III  
Keith Hernandez  
Michelle LaVoice  
Val Murrell  
David Tillson

**Directors Absent:**

Jay Adcock  
Carrol Castille

**Others Present:**

Therese Arroyo  
Julie Calzone  
Chrisie Early  
Paul Franks  
Roger Heitzmann  
Thomas Hewett  
Corrie Mayet  
Linda McLellan

Warren Harang called the meeting to order and asked Roger Heitzmann to call the roll. A quorum was present with Jay Adcock and Carrol Castille absent. The meeting was ready to proceed with business.

Jake Delhomme led us in prayer.

Warren requested the approval of the minutes of the meeting of the Board on August 20, 2021. Tom Early made a motion to approve the minutes. This motion was seconded by Michele LaVoice, which was voted on and passed unanimously.

The next item on the agenda was the report for the Yearling and Mixed Sale held by the Louisiana Thoroughbred Breeders Association. Tom presented the numbers and the response of members, buyers and sellers who participated in the sale. Everyone seemed pleased and the sale appeared to be a great success, especially with the limited time to put it all together.

Moving forward with the agenda, and with no chairperson for the Election Committee, Roger informed the Board that the ballots for the 2021 Board of Directors Election were mailed from M K Elections on October 15, 2021. He also stressed that they must be back in the hands of M K Elections on November 15, 2021 in order to be counted. Any ballot received after the due date will not be counted.

David Tillson reported that Carrol Castille, Jay Adcock, Michele LaVoice, Jake Delhomme, William Reed, Jim Montgomery, Michele Rodriguez, and Tommy Hewett are on the ballot for this year. With no questions, Warren suggested we continue to move forward with the agenda.

Discussion of the Lawsuit was the next item on the agenda. With none of our attorneys able to be with us today, Roger presented the board with the last email they received from Alex Bonin and a short discussion occurred with no new information concerning the suit.

Charlotte Clavier thanked the board on helping with the REAP

program. She reported due to the fact the LTBA helped sponsor it this year saving them much money, it was a huge success and Chaplain Brown has capital to work with this year.

The next item on the agenda was the breed back rule which was placed on the agenda by request of a member of the board. Charlotte asked how she was to respond when the question or questions are asked of her about the breed back rule. Roger suggested that we answer by stating that the rules listed on our website are the current rules of the association. If the rules are changed in the future you will always be judged by the rules that were in place at the time of breeding and/or foaling, depending on the situation. You will never be judged by a rule that was not in place at the time of your action as the breeder of a Louisiana Bred.

Tom Early stated a change in his conflict policy in that he now owns a share in Imperial Hint, who stands at Clear Creek Stud.

**Committee Reports:**

**By-Law: No Chair at This Time – Chairman**

No report for this meeting

**Election Committee – No Chair at This Time**

No report to give other than what was reported earlier in the meeting

**Finance & Audit: Tom Early – Chairman**

No report for this meeting as we just concluded the sale. Therese gave a report on the new computer system and that we should have a demonstration at the next meeting.

**Government Affairs: Jake Delhomme – Chairman**

Jake had no report for this meeting.

**Grievance Committee: Michelle LaVoice – Chairperson**

Michele LaVoice brought two grievances to the board that was brought to the committee.

**Grievance #1**

A member of the association reported a mare and foal as deceased that was not. Continued to nominate and pay for a deceased mare and foal due to a mix-up of the two after purchase of them both at the sale.

She is asking that the payments for accreditation, mare registration, etc. be switched. Roger requested to the board that this be done as he felt this was an honest mistake and the end result doesn't hurt anyone or break any rule. Tom made a motion to allow the mistakenly mixed identified horse be corrected with no penalty. This motion was seconded by Charlotte, which was voted on and passed unanimously.

**Grievance #2**

A breeder of a foal by an out of state stallion returned to Kentucky to breed to an out of state stallion once again. When the mare is found not to be in foal she returned to Louisiana and was covered by an in-state stallion. Roger is asking the board whether or not the first foal is a Z horse or not. In the meeting of the grievance committee, the committee agreed that the foal should be a Z horse due to the intent of the breeder from the first cover. They felt that

## L.T.B.A. MINUTES

if they intended not to have a Z horse the first cover should have been by a Louisiana stallion. Tom referred to a similar situation that happened many years ago when we had the same rules and how they handled it at that time. Tom made a motion that the foal in question should be considered a Z horse. Brett Brinkman seconded the motion, which was voted on and passed unanimously.

### **LTBA/HBPA Liaison Committee: Val Murrell – Chairman**

Val passed the floor to Charlotte who gave a report to the board on vaccine regulations at the Fair Grounds as well as other tracks and locations. She also discussed new insurance policies offered by the HBPA. Roger asked if some information could be sent to him for investigation for LTBA employees.

### **LTBA/LSRC Liaison Committee: Jake Delhomme – Chairperson**

Jake Delhomme had no report at this time

### **Inspection Committee: Brett Brinkman – Chairperson**

Brett had no report at this time.

### **Membership and Nominating: No Chair at This Time – Chairperson**

As there is no chairperson at this time, Roger informed the board of a meeting of the Membership Committee held on October 11, 2021. Michelle Rodriguez, Jake Delhomme, Brett Brinkman, Warren Harang, Jim Montgomery, and Roger Heitzmann were all present for this meeting.

Roger reported that the question presented to the committee was that since a former members wife is listed as the voting member of an LLC that they both own, he would like to be a member as well per the 50% rule. He owns 50% of the LLC which owns

the mare. He states that if he states that he owns 50% of the mare he is technically not providing the truth.

The committee couldn't come to a conclusion in its meeting, so they decided to bring it to the board.

Discussion took place on how we need to be clear in our by-laws, how our forms need to be made more simple for the different types of membership, as well as to how this should be handled. After much discussion, Warren suggested that this question needs to be answered with an attorney present. It was then agreed upon that we take this up at the next meeting of the board.

### **Pac Committee: Keith Hernandez – Chairman**

Keith had no report for this meeting

### **Salary and Benefits: Tom Early – Chairman**

Tom had no report for this meeting.

### **New Business:**
