BREEDING SHED

Keeping the Membership informed, LTBA President Warren J. Harang, III

The recent Louisiana Champions Day was as usual a smashing success. The weather was beautiful and there was an excellent turn out to watch the best Louisiana bred in the state compete for top dollar purses. Commissioner of the Louisiana Department of Agriculture and Forestry Dr. Mike Strain was at Fair Grounds for the races. He has been and continues to be a big supporter of the Louisiana Thoroughbred industry. Louisiana State Representative Beryl Amadee, also made it a point to come to the track and express her interest in our program. Another highlight of the day was the presence of the U.S. Armed Servicemen and Women, who have participated in the Louisiana Champions Day festivities since 2012, both presenting the colors prior to the races and presenting trophies in the winners circle after each stake. It is an honor to have them as our guests for the day.

I would like to congratulate Irwin Olian who is the breeder and owner of two Louisiana Champions Day winners. His Mobile Bay showed class all the way winning the Louisiana Champions Day Classic, while his filly Wheatfield brought home the trophy in the Louisiana Champions Day Ladies Sprint against a game field of her peers. These two exceptional Louisiana bred in have represented the quality of runners our

program can produce while competing in open stakes across the country. I am quite happy to have Mr. Olian in our program.

At this time it appears that we will soon be past the struggles caused by the recent outbreak of the Equine Herpes Virus at Fair Grounds. Delta Downs has now lifted its voluntary precautionary quarantine and barring any new cases, Fair Grounds is in the process of gradually lifting its quarantine as well. These last few weeks have been trying times indeed for Louisiana's horsemen, not only with the quarantines, but the intrastate travel restrictions as well. Hopefully this will all be history by the time this magazine is in your hands.

With the lifting of the quarantine at Delta Downs, Louisiana Premier Night is expected to go off as scheduled on Saturday, February 11. There will be ten stakes carded for over \$1 million in total purses. This is the first of the Louisiana-Bred stakes events, with one at each of the tracks throughout the year. I encourage everybody to come out and see the best Louisiana bred in running.

Louisiana breeders have been quite active at the Kentucky breeding stock sales and have purchased some classy mares in foal to top Kentucky stallions for the purpose of bringing them back to Louisiana. It is exciting to see the interest in improving our Louisiana bred

product with the influx of new blood. I am looking forward to seeing these mares bred back to the quality stallions we have here in Louisiana.

We at the LTBA are doing all we can to be of service to you, the breeders. If you have any questions about our program, the staff in our offices at Fair Grounds and Louisiana Downs are happy to help, and I personally am always happy to hear from you, especially with suggestions for improving our program.

Court Vision

When Bull Hancock was looking for new stallion prospects for Claiborne Farm, his shopping checklist included a good juvenile record, top-class ability shown at 3 and beyond, the ability to stay the American classic distance of 10 furlongs and a strong female family. Few horses meet those criteria better than Court Vision, who joins the Louisiana stallion lineup for 2017, and few anywhere offer higher credentials for a stud fee of \$3,500.

Court Vision is a son of 1988 American champion sprinter Gulch, one of the soundest and most durable of Mr. Prospector's top sons, and he displayed similar characteristics in a racing career that spanned five seasons. The winner of the 2007 Remsen Stakes (G2) and Nashua Stakes (G3) at 2, he was initially considered a prospect for the Triple Crown races. He later switched to turf and scored his first Grade I win in the 10-furlong Hollywood Derby before finding a niche as a turf miler. He added further Grade I scores in the 2009 Shadwell Turf Mile Stakes and the 2010 Woodbine Mile Stakes (G1T) and Gulfstream Park Turf Handicap (G1T) before crowning his career with a score in the 2011 Breeders' Cup Mile (G1T).

A half brother to Canadian Grade III winner Smart Surprise (by Smart Strike), Court Vision is one of four stakes winners produced from Weekend Storm (by 1980 English and Irish champion 2-year-old male Storm Bird), a full sister to 1990 Preakness Stakes (G1) winner and successful sire Summer Squall. Their dam, 1992 Kentucky Broodmare of the Year Weekend Surprise (by Secretariat), also produced 1992 Horse of the Year and two-time American champion sire A.P. Indy (by Seattle Slew) as well as Grade III winner Welcome Surprise (by Seeking the Gold) and listed stakes winner Eavesdropper (by Kingmambo). Weekend Surprise also produced Honor Grades (by Danzig) and Tiger Ridge (by Storm Cat), who both enjoyed some success at stud after less distinguished racing careers.

A multiple Grade III winner as a juvenile, Weekend Surprise, in turn, is out of the Grade III-winning Buckpasser mare Lassie Dear, also the dam of French and English Group I winner Wolfhound (by Nureyev)

and two other stakes winners. Lassie Dear also produced Grade I-placed Al Mufti (by Roberto, a champion sire in South Africa, and Charming Lassie (by Seattle Slew), dam of 2000 American champion older male and successful sire Lemon Drop Kid (by Kingmambo). Families just don't get better than this.

An elegant, racy-looking stallion who bears more than a passing resemblance to his maternal grandsire Storm Bird, Court Vision appears to be the sort of horse who would be suited by a strong-bodied mare with some substance and power. He may be an ideal mate for a mare who needs a bit of leg and refinement put into her foals.

While Court Vision is still relatively early in his stallion career, he is already showing hints that he may have an affinity for mares from the Fappiano branch of the Mr. Prospector male line. To date, he has sired stakes winners Crumlin Spirit (x Heart Lake, by Unbridled) and Conquest Vivi (x Keen Victory, by Victory Gallop) from Fappiano-line mares. Given the popularity of stallions by Unbridled's Song (by Unbridled, by Fappiano) in Louisiana, mares from this line should be readily available to him. Daughters of three-time Louisiana champion sire Songandaprayer may be particularly interesting with Court Vision as Songandaprayer's pedigree includes a

line to Exclusive Native, who also appears on the distaff side of Crumlin Spirit's pedigree. Another compatible element in Songandaprayer's pedigree is Raja Baba, the leading American sire of 1980 and a half brother to Gay Missile, dam of Lassie Dear.

Another tactic that appears to be working with Court Vision is to put him to mares sired by sons of Storm Cat. This is the cross that has produced his leading earner to date, 2016 Coronation Stakes winner King and His Court (x Pennywhistle, by Grand Reward), as well as Grade II-placed Hammers Vision (Baytree, by Forestry), who is stakes-placed on both dirt and turf. This mating pattern plays on the pedigree similarity between Weekend Storm (Storm Bird—Weekend Surprise, by Secretariat) and Storm Cat (Storm Bird—Terlingua, by Secretariat) but is also attractive from a physical standpoint, as Storm Cat-

Gulch-Weekend Storm, by Storm Bird

The #1 Sire of Two-Year-Olds in Louisiana

"From his 1st two crops in Ontario, Court Vision has recorded an A Runner Index of 2.10, which actually ranks him 2nd among North American and European sires who had their first foals in 2013, directly ahead of Twirling Candy (2.03) and top European 2016 2nd crop sire Zoffany (1.90). This is some achievement, and coupled with his terrific pedigree - his dam is a full sister to Summer Squall and a half sister to A.P. Indy - it adds up to Court Vision looking like a fantastic opportunity for Louisiana Breeders."

line mares frequently have the powerful, muscular bodies that appear to be desirable for Court Vision to produce his best.

Court Vision has also had some success with mares from other lines. In these cases, the key appears to be simultaneously reinforcing several of the desirable strains in his pedigree, including those of Raise a Native, Northern Dancer, Nearctic and Bold Ruler. He does not appear to have had much opportunity with mares from the A.P. Indy male line, but this is certainly worth considering given that this would inbreed or line breed to Weekend Surprise, Secretariat and Buckpasser.

“I just feel extremely lucky that my partners and I were at the right place and right time to buy this horse, and that Spendthrift Farm graciously accepted our offer,” says David Tillson, who stands

Court Vision at Acadiana Equine @ Copper Crowne near Opelousas. “He is an absolutely beautiful horse who measures right at 15.3 hands and is very correct. Further, he's got the best mind I've ever seen on a stallion—he is a true gentleman and takes everything in stride. My partners and I intend to support him with between 20 and 30 mares of our own, and we are very excited regarding prospects for the 2017 season as his son King and His Court is the early favorite for the Queen's Plate. Court Vision also has a filly, Conquest Vivi, who is an undefeated stakes winner and could be an Oaks prospect. I can't think of another stallion in Louisiana who already has contenders for this year's classics, and he could be a force for a long time to come.”

The fifty-fourth running of the Filly Division of the Louisiana Futurity was a first for several connects of the winner. When Mr. Al's Gal went to the front and continued to improve her position throughout the running to finish the race in the outstanding time of 1:10:3 it was the fastest winning time any filly in the Futurity.

Trainer Justin Jeansonne was winning the first stakes race of his young training career in just his

second start in a stakes. The partnership of Rodney Virgadamo and Keith Bonura were experiencing the joy of winning their first stakes race, and of course, Mr. Al's Gal was winning her first stakes race in her early racing career.

Purchased from her breeders, J. Adcock and Neal McFadden for a price of \$1,000 at the Equine Sales of Louisiana Mixed sale in 2015, Mr. Al's Gal is proving to be a real bargain with two wins and a second

from three lifetime starts for earnings of \$85,280.

In a near repeat of history this year's winner of the Colt and Gelding Division is sired by Half Ours, who sired the winners of both divisions of the Louisiana Futurity in 2015.

Jack Snipe's raced comfortably in second place down the backstretch, made his move approaching the stretch, took the lead and was all out to hold Run Away Ralph off. This was truly a Clear Creek Stud Futurity in that the winner was

bred by Clear Creek Stud and the second place finisher was bred by Trey LaVoice, son-in-law of Clear Creek Stud owner, Val Murrell.

Jack Snipe's is the second stakes winner produced by the Silver Deputy dam, Rhodelia, who produced Grade III stakes winner Jet Black Magic who has current earnings of \$399,430. Rhodelia is a half sister to four time Louisiana bred champion, Superior Storm.

With his win in the Futurity, Jack

Snipe's record is six starts with three wins and stakes placings in the Shakopee Juvenile at Canterbury Park in Shakopee, Minnesota, the Louisiana Legacy at Delta Downs and the Louisiana Champions Day Juvenile and earnings of \$141,800.

He was purchased privately by his trainer, Gary Scherer in partnership with Minnesota resident Jeff Drown.

A New Year Welcomes New Stallions

by Tom Early

For the soon to open breeding season we have four new stallions standing in Louisiana.

Court Vision

Gulch-Weekend Storm, by Storm Bird

Court Vision will begin his first season in Louisiana at Acadiana Equine in Opelousas. The five time Grade I stakes winner comes to us from Canada where he stood his first five years a stud.

His accomplishments on the track include wins in the Breeders' Cup Mile, the Hollywood Derby, the Shadwell Turf Mile, the Gulfstream Turf Handicap and the Woodbine Mile for earnings of \$3,746,658. At stud Court Vision has sired three stakes winners and an additional six stakes placed runners. The son of Gulch will stand for a fee of \$3,500 Live Foal.

Line of David

Lion Heart-Emma's Dilemma, by Capote

Line of David, a Grade I winning son of Lion Heart earned \$662,000 at the track including a win in the Arkasas Derby, a race in which he defeated Super Saver, who

won the Kentucky Derby in his next start. With three crops racing, Line of David has sired Grade III stakes winner Firing Line who was also second in the 2016 running of the Kentucky Derby. Two additional stakes winners and eight stakes placed runners helped create an Average Earnings Per Starter at \$42,356, which makes his 2017 stud fee of \$2,500 Live Foal seem like a bargain. Line of David will stand at Red River Farms in Coushatta.

Mean Season

Henny Hughes-Mean Imogene, by Silver Deputy

Mean Season will join the stallion roster at Whispering Oaks Farm in Carencro. A winning son of Henny Hughes (sire of three time Breeders Cup

winner Beholder), Mean Season will commence his first season at stud in 2017. An impressive winner of his first three starts, which he won by a combined winning margin of more than 20 lengths. Injured in his fourth start, he was away from the races for nearly a year before returning with a winning effort at Laurel Park in early 2016. He will stand for an introductory fee of \$2,000 Live Foal.

Pimpernel

Elusive Quality-Xtra Heat, by Dixieland Heat

Pimpernel comes to us from Oklahoma, where he stood his first year at stud there in 2016. He is by Elusive Quality (sire of Kentucky Derby

winner Smarty Jones) and out of the Three-Year-Old Champion filly of 1998, Xtra Heat, who won twenty six races from thirty four starts and earned in excess of two million dollars. Pimpernel is a full brother to stakes winner Elusive Heat and a half brother to stakes winner Southwestern Heat. In his third lifetime win, Pimpernel defeated future multiple Grade I winner Hoppertunity, when he held him at bay during a stretch battle at Santa Anita Park. Pimpernel stands his first season at stud in Louisiana for a fee of \$1,500 Live Foal at Cherokee Ridge Horse Farm in Carencro.

Louisiana Champions Day 2016

by Gary McMillen

Chilly in Gentilly. An arctic front had blasted the Mid-West and East Coast, pushing snow and icy weather toward the South. The wind in New Orleans made it so cold that even the lawyers had their hands in their pockets. Three horsemen and one horsewomen came to the Fair Grounds with a hot hand for Louisiana Champions Day: Irwin Olian, owner of Tigertail Ranch had two stakes wins and one second from four entries; owner Maggi Moss had winners in two stakes; trainer Tom Amoss won two stakes from three entries; and jockey Florent Geroux had three stakes wins and two seconds from seven stakes mounts.

It has become a recent tradition to honor members of the armed services on Louisiana Champions Day. Jessica Gabriel of Ponchatoula (above right) performed the National Anthem

MOBILE BAY

Lone Star Special—Tranquility Bay, by Out of Place

Owner: Tigertail Ranch

Trainer: Victor Arceneaux

Jockey: Diego Saenz

Hodges Photography / Lou Hodges, Jr.

Bookmark the \$150,000 Louisiana Champions Day Classic as a fundamental lesson on class handicapping. It was safe to say that Tigertail Ranch's Mobile Bay had been keeping good company. The colt's last nine races had been a gypsy caravan of running at nine different tracks in nine consecutive stakes races. Seven of those nine races were against open

company. He was the only Louisiana-bred in the race to have won a graded stakes. As far as the factor of class, the 4-year-old son of Lone Star Special—Tranquility Bay, by Out of Place was loaded to the gills.

Poise is a sub-factor of class and (under the guidance of jockey Diego Saenz) Mobile Bay tracked The

Pickett Factor around both turns before asserting himself through an opening on the rail and powering off to a 4-3/4 length victory. “After a good break I was able to put him pretty much where I wanted,” Saenz explained. “He’s a big horse and if he doesn’t break good, he’s not going to run that well.”

Big horse indeed. The dark bay Mobile Bay measures in at 17 hands and is an obvious favorite of owner Irwin Olian. “This horse is amazing in a simple way. He has a capacity to relax on and off the race track. He sleeps a lot during the day and even takes naps on the van. This contributes to him being an extremely good shipper and that allows him to be able to go around to different tracks without all the nervous fits that some horses go through. When a horse has a tendency not to self destruct, conserves his energy and has a competitive nature that’s a winning combination. He doesn’t have a nickname around the barn, but I call him the Gentle Giant.”

Mobile Bay has not been avoiding or running away from a fight. With a class animal there is no need to avoid serious competition. Trained by Victor Arceneaux, Mobile Bay has now won 9 of 24 starts and is flirting with a million dollars in career earnings most of which has come running against open company.

SAINT'S FAN

Tale of Ekati—Boy Crazy, by Sky Mesa

Owner: Dallas Stewart

Breeder: Dallas Stewart

Trainer: Dallas Stewart

Jockey: Brian Joseph Hernandez, Jr.

Hodges Photography / Lou Hodges, Jr.

On pure potential and raw talent, the \$100,000 Louisiana Champions Day Juvenile produced the biggest eye opener of the day in the form Saint's Fan. The way he commanded the race may be a sign of things to come. Being owned, bred and trained by Dallas Stewart, the son of Ekati—Boy Crazy, by Sky Mesa figures to keep the track bookkeeper writing checks for the duration of the meet.

In reference to his combined status of owner, breeder and trainer Stewart remarked, "That's a nice payday." Stewart was in an obvious good mood after his home bred was led into the crowded winner's circle. There were so many friends and family in the winner's circle that Stewart joked to the photographer, "Just go ahead and give me fifty photos."

After a slow start leaving the gate, jockey Brian Hernandez Jr kept Saint's Fan wide and clear of trouble on the far turn before making short work of the competition with a quality rally that brought him home in a rapid 1:10.74 for six furlongs. "I rode him like he was the best horse," Hernandez said. "I don't think you have seen the best of him yet."

"He's a nice colt. No doubt about it," Dallas

Saint's Fan owner, breeder, and trainer, Dallas Stewart.

Stewart said in agreement. "He won his maiden race at Churchill (against open company) and did it the right way. I really think a lot of him. I liked the way he laid off the pace and that keeps my fingers crossed that he will stretch out.

He beats all the horses that he works against in the mornings. He's the best 2-year-old that I have ever had."

Breaking news. According to trainer Stewart the undefeated freshman will be pointed toward the Grade III \$200,000 Lecomte Stakes.

Saint's Fan was foaled in Louisiana then broke at Sunnyside Farm in Kentucky. The chestnut son of Tale of Ekati—Crazy Boy, by Sky Mesa is now a perfect two-for-two in his short career.

HAIL TO THE NILE

Pioneerof the Nile–Takeaway, by Fly So Free

Owner: Valene Farms,

Breeder: Warren J. Harang III,

Trainer: Sturges J. Ducoing,

Jockey: Francisco C. Torres

Hodges Photography / Lou Hodges, Jr.

The grass is always greener on the other side of the fence. Well, not exactly. For Valene Farms' Hail to the Nile, it doesn't matter where the grass is. Just throw a saddle on him.

The expression “Horse for the course” was written for animals like Hail to the Nile and he underscored the old premise in the \$100,000 Louisiana Champions Day Turf. Out, out and away; Hail to the Nile, under Francisco Torres, dictated a comfortable pace on the rail until the 1/8th pole where he was engaged by Fort Pulaski. A local lover of Fair Grounds grass and in his second race off a layoff, Hail to the Nile dug in deep and fought back for ¾ length victory.

“He's the kind of horse you can rate,” Torres said,

“His heart has proved to be as big as his body.” ~ Murray Valene

“and we took control of the pace. You are going to feel pressure when you are going easy fractions. But he

kicked it in (at the top of the stretch) and we had something left in the tank.”

Carrying the winning trophy up to the clubhouse, owner Murray Valene remarked, “He's really an old warrior. You get lucky sometimes with a purchase. His conformation was off but his

heart has proved to be as big as his body.”

Just as thrilled was breeder Warren Harang III. “We are tickled to death to be here on a sunny day in front of a nice crowd and see the results. We sold him as a yearling. You know, he looks just like his Daddy and was part of Pioneerof the Nile's first crop.”

Jockey: Florent Geroux

Hodges Photography / Lou Hodges, Jr.

A quiet salute to those in uniform. A recent traditional event on Louisiana Champions Day is for members of the military to participate in the winner's circle ceremony. After trainer Tom Amoss put the blanket over Maggi Moss' winning filly Big World in the Louisiana Champions Day Ladies Stakes, he made a point of thanking the Marine staff sergeant for his service to the country.

The win for Big World was not a walk in the park. It required skillful and strong urging from jockey Florent Geroux. The 3-year-old filly had to turn away a late challenge from Set Hut Stable's determined Forest Lake. The "neck" victory was the tightest finish on the Louisiana Champions Day card.

Pay back time. There were a lot of lengths to make up from Big World's last race where she had finished third behind Seaside Candy and Forest Lake. "We didn't have the greatest of trips last time," Amoss

Hodges Photography / Lou Hodges, Jr.

explained. "Florent (Geroux) really rode a good race when it became a battle in late stretch. He did the right thing by bringing his horse out to engage the competition and my horse responded. I think that made the difference. I'm really proud of my filly."

Bred by Curt Leake and Elm Tree Farm, Big World must have a big heart. The bay daughter of Custom for Carlos broke her maiden at Saratoga and followed that with a victory in the Temptress (gr.III) at Aqueduct. Her second race as a 3-year-old was a large margin win in the Magnolia Stakes at Delta Downs on October 28. She has now won four of eight career starts.

Serious intention. Irwin Olian, the owner of Tigertail Ranch did not bring his runners to Louisiana Champions Day for the weather. Trained by Danny Pish and ridden by Diego Saenz, Wheatfield was victorious in the \$100,000 Louisiana Champions Day Ladies Sprint and gave Olian his second stakes win of the day.

Returning to state-bred company for the first time in four starts and making her second start off a layoff, Wheatfield powered her way home through a field of 13 runners and stopped the clock in 1:09.98 for six furlongs. “I was back in the second flight and trying not to get stopped at any stage of the race,” Saenz

Wheatfield owner, Irwin Olian.

“She is a mature race mare that likes her job and that makes her easy to train,” trainer Danny Pish said of his well traveled filly. “In spite of being an aggressive race mare she settles well in the first part of the race and that’s a rare combination.”

Robbery in broad daylight. In horse racing they call it “controlling the pace.” In the \$100,000 Louisiana Champions Day Lassie for 2-year-old fillies, Troy Collins' Ivana's Wish found the lead with ease and was never headed en-route to a 1-1/2 length upset victory.

The chestnut daughter of Custom for Carlos—Stellar Vision, by Pollard's Vision was coming off a

disappointing loss where she had set the pace and tired in the November 19, Louisiana Jewel Stakes at Delta Downs.

Trainer Allen Landry made some basic observations about his filly. “We learned that she likes the Fair Grounds,” Landry said with a laugh. “She was coming off that mile race at Delta so she figured to be pretty tight coming into this race.”

Ivana's Wish \$41.60 mutuel payoff was the biggest on the Louisiana Champions Day card.

“They say that horses love cold weather,” said trainer Leo Gabriel after Robbins Family Racing’s My Friend Flavin won the \$100,000 Louisiana Champions Day Sprint. “Well, this gelding loves it.”

My Friend Flavin, a 4-year-old son of Forestry, was making his first start since July but had been training forwardly. Positioned between two flights of runners in the large field, jockey Robby Albarado had his mount in the cat bird seat. A sustained rally wore down the

favorite Jockamo’s Song just before the wire, giving the fans the second biggest mutuel payoff of the day.

“We gave him a long vacation with the idea of pointing toward this race,” said Gabriel. “It’s a great feeling when the plan all comes together. Robby followed instructions to the ‘T’, which was come from behind and win the race.”

Taking It To The Top

by Mary Marshall

Photos by Michelle Trahan and Beverly Vincent

The name Eddie Delahoussaye resonates as a racing legend from the bush tracks of the Quarter Pole to the twin spires of Churchill Downs. From the age of 10, Delahoussaye grew up with his boots in the irons. It was a phenomenal dream ride with destiny for a jockey whose origins began in the most fundamental way.

“It might have something to do with the French culture,” Delahoussaye said. “We like a good gamble and we play hard. We like a fast horse. It might have something to do with the fact that we grew up with hard work, horses, family, and farming. The bush tracks are where we started, learned fast and figured it out quick; the horses, hard work ethic, and partnership of working with a close knit group of horsemen that

were family. We all helped one another. That is how I started.”

It was the same fundamental principles that brought Delahoussaye, his wife Juanita and daughter Mandy back to their native Louisiana in January 2015 after spending more than 30 years in Southern California living near Santa Anita Park. He became an owner and breeder on a small scale in California, and discovered a new interest in the bloodlines and conformation of the thoroughbred.

“It was time to come home,” Delahoussaye said. “We wanted to be closer to family and friends. Following my retirement from racing we moved to California. Training wasn’t for me so I studied pedigrees and conformation. I became a bloodstock advisor and enjoyed many years working with

amazing horsemen in California. It was a great experience that shaped the future for me to come back to Louisiana and help the horsemen here.”

Delahoussaye, 64, retired from riding in 2003 following injuries he sustained in a spill at Del Mar Racecourse on August 30 of that year. The jockey nicknamed Eddie D., well known for his quiet demeanor in the saddle, compiled an enviable record of 6,384 victories, including two Kentucky Derbies, two Belmont Stakes, one Preakness and seven Breeder’s Cup Races. Delahoussaye was inducted into the Racing Hall of Fame in 1993. He is also a member of the Louisiana Racing Hall of Fame and Sports Hall of Fame. The Eddie D. Stakes, a G3 turf race run at Santa Anita, was

named after Delahoussaye in 2012. He is also the recipient of the 2013 Lafitte Pinckney, Jr. Award and the 1981 George Woolf Memorial Award. Delahoussaye continues to serve as a director for the Edwin J. Gregson Foundation, a non-profit organization established in 1998 to develop programs aimed toward improving the lives of California backstretch workers and their families.

More recently Delahoussaye has been engaged as the bloodstock advisor and member of the executive board of Scott Butaud's Gulf Coast Stables, LLC in Youngsville where his cousin, trainer Kenny Delahoussaye, is the farm manager. He also spends his spare time as a gentleman farmer of sorts and has settled into a comfortable routine in his newly built

home in a suburb of Lafayette, close to the family home place in New Iberia. He has a Hall of Fame plaque hanging on the wall that reminds him of a lifetime commitment to a sport where dreams are made and fortunes lost. Delahoussaye dabbles in public relations for nearby Delta Downs, and has been celebrated as the favorite son of New Iberia by the curator of the Bayou Teche Museum. Yet his newly acquired position with Gulf Coast Stables, inaugurated in 2014, affords Delahoussaye the opportunity to be an instrumental force in the development of a Louisiana-based thoroughbred operation from the ground up.

"Scott is a very smart man and has the drive to create a premiere breeding and training facility,"

Delahoussaye said. "He has the goal to build a prominent Louisiana-based breeding farm that will help the Thoroughbred industry within the state to be recognized on a nation-wide scale."

Butaud states that he is fortunate to have Eddie and Kenny as advisors and believes that the formula for success starts with a great team.

"It all starts with having smart people who have the knowledge and can advise you along the course," said Butaud. "We really needed to increase the quality of our bloodstock holdings. The mares that we started out with were not producing foals that would be competitive in the current sales market. When you get down to it, it's all about numbers. I am very grateful to have Eddie

“I knew we needed good advisors ...so I was fortunate to reach out to Kenny [Delahoussaye] who introduced me to Eddie [Delahoussaye]. Due to their knowledge and expertise I really feel like we are on the right track now.” ~ Scott Butaud

and Kenny as our bloodstock and conformation advisors. Their contribution will help launch Gulf Coast Stables and Louisiana-breds to a new level.”

Eddie Delahoussaye acknowledged that the future success of the Thoroughbred industry depends on a new injection of young and knowledgeable horsemen that share a passion for the business.

“We need young people coming into the sport of Thoroughbred racing and breeding,” said Delahoussaye. “It is an industry that needs new blood, support, and a willingness to work together in order to keep going. There just aren’t enough young people getting involved. The recession was very hard on the industry nationwide, and doubly hard on the business here in Louisiana. Scott Butaud is a young man with a vision and profound interest in expanding his business in Thoroughbred racing and breeding. He has the opportunity to really make a mark here in Louisiana, and I am fortunate to be involved with him.”

Louisiana provides a pipeline for producing great jockeys, but also first rate horsemen.

Butaud, 34, is a Louisiana native, business investor and

financier whose roots in the equine industry grew out of a family that bred and showed cutting horses. His passion for Thoroughbreds evolved from a lifetime fascination with the sport. As his business ventures thrived Butaud wanted to get more involved in the breeding side of the Thoroughbred industry. In 2014 the dream began to come to fruition when Butaud purchased a 120-acre hunter-jumper boarding farm where his son took riding lessons. While the farm needed much work, the intent was to expand the program into a Thoroughbred boarding and breeding facility. Capitalizing on a new business venture was a theme that Butaud was accustomed to, however the evolution of a Thoroughbred farm doesn’t necessarily follow your standard business model.

“Everyone thought I was crazy coming in at the tail end of the recession,” said Butaud. “We’ve had our ups and downs. Investing in renovations and more renovations; fencing, barns, equipment and reseeding pastures. We’ve purchased horses that didn’t work out, found good homes for them and bought more. We’re also in the process of upgrading our bloodstock so that we can be more com-

petitive in the commercial sales market. I knew we needed good advisors in order to improve our bloodstock holdings so I was fortunate to reach out to Kenny who introduced me to Eddie. Due to their knowledge and expertise I really feel like we are on the right track now, and have purchased some exciting mares in foal to top industry stallions.”

Gulf Coast Stables purchased several mares during the 2017 Keeneland January Horses of All Ages Sale including the Empire Maker mare Make Light, a half-sister to grade one stakes winner Seek Again, in foal to City Zip, and the Mr. Greeley daughter Incentive, a half-sister to four-time grade one stakes winner Winchester, in foal to Will Take Charge.

“The goal is to breed our mares to top industry stallions that will produce offspring that can be sold in a competitive market,” said Butaud. “The key is to establish Gulf Coast as a major breeding facility that will help promote the Louisiana breeding industry. We are fortunate to have Eddie as an advisor and Kenny breaking and training youngsters so we know what to keep and what to sell. Plans include to eventually have a

competitive racing stable along with the breeding side of the business. We would not have branched out this far without the help of Eddie and Kenny.”

Kenny Delahoussaye, like Butaud, agrees that working together with a common goal is a key to success in an ever-changing industry where the commercial sales market and racing aspects of the business are tethered far apart.

“In Louisiana, we all work together for the good of everyone,” said Kenny. “It is a tight knit racing community where everyone is willing to help their neighbor. It’s not like that nation-wide. More people need to come together in the industry and support each other from state-to-state. Everyone likes the same things; they go where the money is, they like a fast, well bred horse and a good gamble. So why can’t they all come together for the common good?”

“The commercial sales market swings with fashion and who’s hot and who’s not. The racehorses run and the trainers train without a thought as to who the sale topper was. At the end of the day it’s all about who is standing in the winner’s circle. Those two aspects of the Thoroughbred industry are

worlds apart.”

Credibility, honesty, education, cohesiveness and accountability are paramount to the success of the Thoroughbred industry in Louisiana and throughout the country, according to Butaud.

“I would like to take on the stance of an ambassador,” He said with conviction. “It is imperative to develop good relationships across all aspects of the business throughout the country in order for the business to survive. The Thoroughbred industry, overall, has not done a very good job of taking care of the people who matter. It is a very closed industry from state-to-state and hard to break into. Solid relationships are built on trust, marketing, sharing resources and information. If you don’t have those fundamentals at the core you can expect the business to die a slow death. As we stand, credibility, honesty, resources, education and support has never been more important than now. We have been shut out, lost money, faced every obstacle on our way to getting Gulf Coast Stables off on the right course.

“Having Eddie on board has opened doors that were previously closed to us,” said Butaud. “They might not return my phone call,

but everyone calls Eddie D. back. We have been able to make some excellent connections with breeders and trainers throughout the country courtesy of Eddie. Those connections have allowed us to purchase bloodstock privately that were previously out of our reach. I am very thankful for his contribution.”

Eddie Delahoussaye is dedicated to the success of Gulf Coast Stables and helping the racing community in Louisiana grow and prosper following the slow recovery from an economic downturn that still has some breeders struggling to stay afloat.

“Since the recession there are less farms in Louisiana than there used to be,” said Delahoussaye. “There are less people involved in the racing side of the business. Purses have increased for many state incentive programs but they can’t fill the cards. We need more new people like Scott to become involved in racing and take advantage of the opportunities available for state bred horses. People are spending their money at the casinos, betting on the races and there is no time like the present to jump in the business. Gulf Coast Stables has the right idea, and we are committed to taking it to the top.”

Unfamiliar Ground

Saints Fan, only the second horse Dallas Stewart has bred, is giving is the trainer a different perspective on the sport.

Hodges Photography / Lou Hodges, Jr.

After the December 10th running of the Louisiana Champions Day Juvenile, it was evident that Dallas Stewart is not your typical solitary bird. He has a large network of friends and family. It was so crowded in the winner's circle that there wasn't enough room to cuss a cat. When Stewart finished putting the stakes

blanket on his undefeated colt Saint's Fan, he turned to see the number of people celebrating the victory and threw up his hands in surprise. "Just give me fifty photos," Stewart jokes with the track photographer. "That ought to cover it."

Moments later and more composed, "You can see we have a lot

of friends and family members here," Stewart explains of the crowded conditions. "The more the merrier. I'm glad to see so many people along for the ride and enjoying the journey. Hopefully it will be a long ride."

It was groom Manuel Jucuide's job to lead Saint's Fan back to Barn 4A for a well

“Standing in the winner’s circle and watching your own horse that you bred has a completely different feeling.... You get a sense of all the things that happened to get a horse to that point of winning. It’s not the money. It’s how marvelous the horse has developed and responded. In the end you have to stop and respect what the horse has accomplished.”

deserved bath. Stewart, thank you, takes care of the rest of the chores. As trainer, owner and breeder of Saint's Fan, the 49-year-old Stewart finds himself on unfamiliar ground. “I have owned a lot of horses in partnership with other people,” Stewart says of his role reversal. “I pretty much had my own way and free hand as the trainer but you still have to do a lot of explaining on different issues. But when it comes down to the nitty gritty I have to do my job.”

Stewart has owned numerous horses in partnership over the years but Saint's Fan is only the second horse that he has bred. Being a breeder of a stakes winner is a new dimension for him. “Standing in the winner's circle and watching your own horse that you bred has a completely different feeling,” Stewart explains. “You know there is a nice payday coming but it's deeper than that. You get a sense of all the things that happened to get a horse to that point of winning. It’s not the money. It's how marvelous the horse has developed and responded. In the end you have to stop and respect what the horse has accomplished.”

Saint's Fan was foaled at Summer Hill Farm in Folsom, Louisiana. The talented chestnut is the third foal of Boy Crazy. Boy Crazy is a Sky Mesa mare that Stewart trained and later turned into a broodmare. For Stewart, the selection of a sire for breeding purposes was not a painstaking matter. “I don’t go through all that nicking and pedigrees analysis,” Stewart says. “I have seen a lot of

Tale of Ekati babies and I love the way they look. They all look athletic.”

For a breeder, sometimes being smart takes a back seat to being lucky. Saint's Fan came close to slipping through the cracks. A bloodstock agent that Stewart respected had visited Summer Hill Farm and looked at the babies. He was impressed and notified Stewart that he was a good looking colt and would bring a hefty price. Stewart put his yearling in the Keeneland September sales. “I got him up to Kentucky,” Stewart remembers, “and there was a very minor issue with the x-ray. He was not perfect at the time and just needed some more time to heal. My vet advised me to take him out of the sale and break him later. That was damn good advice because now he is 100 percent sound and we own him.”

As the owner of Saint's Fan, Stewart can set the coordinates on his own compass. The undefeated colt that has won on two different race tracks is being pointed to the Lecomte Stakes against open company for his sophomore debut. “He's a terrific horse,” Stewart says. “Looking beyond that I bred him and own him, he is the best of any 2-year-old that I have trained all year. He beats everybody he matches up with in the morning. He is a horse with good sense, great confirmation, manages to out eat every horse in the barn and can’t get enough training. The potential is there. What’s not to like?”

Steep hills have never stopped Stewart from attempting a difficult

Stewart with one of his trainees at Fair Grounds on a cold winter morning.

climb. In his first year (1985) as a trainer he won a total of two races with meager total earnings of \$5,870. Fast forward to his career to date and Stewart has won 752 races with an eye opening earnings total of \$41,518,799. Included in this resume is Unbridled Elain's victory in the Breeders Cup Distaff. Lemons Forever win in the 2006 Kentucky Oaks remains the longest shot ever to win that prestigious race. A slice of Stewart's Triple Crown accomplishments have been Golden Soul and Commanding Curve finishing second in their respective Kentucky Derbys at boxcar odds.

Stewart's outgoing and casual demeanor is a thin layer over an inner drive. There is time for a few quick jokes with visitors but the training clock is always clicking. On an off day he finds time to take his kids fishing but, around the barn, the routine is a no nonsense

steady rhythm of work.

There have been few silver spoons or gift horses in Stewart's background. Born in McComb, Mississippi, the family moved to New Orleans East when he was five years old. While attending Abramson High School, Stewart began working on the Fair Grounds backstretch. At the age of 15 he was galloping horses. He logged in six years as a valet in the Fair Grounds jock's room. Stewart's bedrock foundation as a trainer came with his exposure to trainer Connie Tassistro. "Over the years he taught me a lot," Stewart remembers of his apprenticeship with Tassistro. "His biggest lesson was to be meticulous when it comes to horsemanship. Everything was important. From the care of their legs to their eating habits. Mr. Connie never over trained a horse up to a race. It was all a lot of little steps that came

together to get a horse ready to win a race."

In his role as an owner and breeder, Stewart must deal with temptations. There have been generous and tantalizing offers to buy Saint's Fan. "It makes you stop and think," he says. "You have to keep all your options open but right now we are going to stick it out, see what happens and enjoy the moment. It might not be the smart move but he's our horse. Being a Louisiana-bred is not going to hurt this colt."

Some memories never fade. In 1986, Stewart was an assistant to trainer D. Wayne Lukas. "I know it's a dream but I keep thinking about Lady's Secret," Stewart continues with a laugh. "You have to remember that Lady's Secret was an Oklahoma-bred and she was an Eclipse Award Horse of the Year. You just never know."

From a valet, polishing boots in the jock's room, to becoming a multiple graded stakes winning trainer, Stewart was asked to explain his path to success. "It's not complicated," he says, leaning back and folding his hands. "Just be ready to work when you come on this backside every morning. If you are ready to learn and willing to outwork the other guy is the way to earn people's respect and they will give you a chance. It is always a different day when you come in to the barn. A horse might get hurt. An owner might fire you. But the next day, if you are doing things right another door is going to open. I might not be the best but I am going to give you the best that I got."

Dear Owner,

Louisiana Horse Rescue Association is a 501(c)3 non-profit organization dedicated to Racehorse welfare and aftercare. Currently the program is funded entirely through the fundraising efforts of committed volunteers, with 100% of funds raised going directly to the horses. We invite you to read more about our organization at www.louisianahorserescue.com.

In order to continue our efforts of rescuing, retraining, rehabbing and rehoming retired racehorses it is necessary that the horse racing industry provide a regular source of income to the program. LHRA hereby requests that each owner by virtue of signing their name below, authorize the LHBPA to debit their Horseman's account as indicated below per start as a tax deductible donation to the LHRA, or an optional other amount as you deem appropriate. Once signed, please return this form to us via mail at the post office address above.

Thank you for your help in this matter.

I hereby authorize the LHBPA to debit my account

- ___ \$10.00 per start as a tax deductible donation to LHRA.
___ \$5.00 per start as a tax deductible donation to LHRA
___ OTHER amount per start as stated here (may be a percentage)
___ One time deduction of \$ _____, deducted from next placing

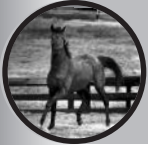

This voluntary deduction is to remain in effect until I notify the Executive Director or Secretary / Treasurer of the LHBPA in writing of my decision to terminate this authorization

GET INVOLVED

First of all, Happy New Year! We at LHRA are looking forward to 2017 and we have many goals for this year. We are hopeful that by year's end we will have some new systems in place that allow our rescue to continue into the future as a champion to the cause of animal welfare in general and equine welfare in particular. Thank you all for supporting us!

It seems like only a couple of years ago that I first became involved in the Louisiana Horse Rescue Association. I guess ten years goes by pretty quick for most of us! Along the way, we have made a lot of friends and connections here at LHRA, but I would like to take a moment to address our number one cause of questions and frustration:

“Can you please come pick up a horse that I saw down the road”.

Well, since one of our main goals is to educate the public about equine welfare we do have a section on our website under **“Get Involved”** that addresses this situation, so I will share that with you and then expound on it a little. The following paragraph is our go-to answer:

“If you suspect abuse or neglect, call the local Sheriff's Department. Get the name of the person who takes your call and ask which Deputy will handle the complaint. Give specifics and let them know you will call to follow up. Many Sheriff's Departments do not have adequate resources to handle large animal cases so they may call a rescue or a veterinarian to consult. A vet will gauge the horse's body condition score. In Louisiana, all that is required is that food and water be present. Abuse is another issue that can be difficult to prove. A rescue

has no jurisdiction or authority; we can only step in if the authorities delegate to us and only then if we are able to given resources on hand. We are lobbying actively to require shelter, as many other states do and we are helping to quantify minimum standards of Equine care.”

The biggest response from callers is surprise when they learn we are not law enforcement and cannot just walk up and take someone's horse. Most people love their horses, even if it doesn't appear so. When you call your local Sheriff, be persistent. Have pictures – lots of pictures. Write everything down including dates, times you saw the horse in need, times you called, the names of who you spoke to. Ask the deputy to request the offender's vet records and de-worming records on the horse. Let the deputy you are speaking to know that you are writing a journal on this and are calling the local news. Call the local news and tell them you have called the Sheriff. Send us some pictures, the location of the horse and your notes and LHRA will call the local Sheriff. Only once have I posted a Sheriff's phone number on our Facebook page – the response was so overwhelming I think some of those folks retired early and they all remember us well. I drive very slowly in that area of the state.

Some law enforcement responses are better than others and we have seen both extremes. In some Louisiana parishes it seems as if nobody cares about anything other than taking a nap, but some will jump on an animal abuser with both feet and let me tell you, those horses start looking better real fast. Whatever you do, please work with-

in the law!

If you get the impression that helping horses in need is difficult then you are correct. To compound matters, LHRA gets constant requests to take in horses from owners who are able to care for them but don't want the hassle of finding them a safe home. We so appreciate the horse owners out there who care about their animals enough to make sure they go to good homes when their racing or breeding career is over. For people who need help, we have a service that allows owners to send us pictures to post on our website and Facebook page where our 18,000 members can offer placement assistance.

The main thing LHRA would like you to know is that we are here for you and the downtrodden animals that need help. We are a 501(c)3 that gives back the money we raise to buy food and medical care for our animals. Our members and benefactors all have in common their desire to help horses in need, so please join us if you have not already.

You can go to our website, www.louisianahorserescue.com to join and donate to our cause. Also please join us and about 18,000 members on our Facebook page, www.facebook.com/lhra1. SALES NEWS

Equine Sales Company Sets 2017 Auction Dates

Equine Sales Company today announced its complete 2017 schedule of auctions. In addition to the 2-Year-Olds in Training Sale already announced for May 9 with a breeze date of May 7, two other sales will be held at the Opelousas, Louisiana, facility.

The Consignor Select Yearling Sale will be held Thursday, August 31, and the Open Yearling and Mixed Sale will be held Sunday, October 15. All three sales will be held on similar dates compared to the 2016 schedule.

“Equine Sales Company had its best year yet in 2016, and I think we have found a good spot on the calendar for all three sales to work well for consignors and buyers, both nationally and regionally,” said Foster Bridewell, sales director for Equine Sales Company. “The addition in 2016 of the Equine Sales Derby and Equine Sales Oaks at Evangeline Downs for sale graduates has proven to a big boost for breeders, buyers and consignors, and we look forward to continuing those races in 2017 and beyond.”

The 2016 Consignor Select Yearling Sale marked the first unified yearling sale held with the Louisiana Thoroughbred Breeders Association, which had previously held a separate yearling sale. The unified sale proved to be very successful, and that partnership will continue in 2017.

OBS Yearling Sale Moving To October In 2017

The Ocala Breeders' Sales Company has announced that its 2017 Yearling Sale will be moved from August to October. The Selected Yearling Sale is scheduled for Tuesday, Oct. 10, with the Open Yearling Sale to be held Wednesday and Thursday, Oct. 11-12. The Winter Mixed Sale will remain in its customary slot in January.

“Finding the most beneficial dates in a crowded yearling sale calendar is a little tricky,” said OBS president Tom Ventura.

“Based on our feedback, we believe the October time slot offers a better overall fit for both consignors and buyers.

Consolidating our Mixed Sales into January provides us the flexibility to shift the Yearling Sale to October. Moving the sale from August to the milder October weather will be a plus for buyers, consignors and horses. An additional side benefit of the new dates is the extra time after our Two Year Old sales to move our construction project along.”

Millionaire Louisiana-Bred Sunbean Retired

Sunbean has been a force to be reckoned with on the Louisiana-bred stakes circuit since he won the Louisiana Futurity in 2012, in just his second career start. Now a 7-year-old, the ever-consistent gelding has officially been retired, reports the Daily Racing Form, due to a recurring tendon injury.

“We wouldn’t take any chance with the horse,” said trainer Ron Faucheux. “He’s still in the barn with us. Once this quarantine (at Fair Grounds) is lifted we’ll probably send him to Clear Creek [farm] and find a good home for him.”

Owned by his breeders Evelyn and Maurice Benoit’s Brittlyn Stable, Sunbean won a total of 16 of his 27 starts for earnings of \$1,172,250. He won the Louisiana Champions Day Classic in both 2013 and 2014, and all of his wins came in listed stakes company.

Robby Albarado Scores 5000th Win

Jockey Robby Albarado joined an elite group on Sunday at Fair Grounds Race Course & Slots when earning his 5,000th career victory. The 43-year-old Lafayette, Louisiana, native became only the 33rd rider to reach the milestone when guiding Oak Tree Stables’

Scott Gelner-trained Vivacious V. V. to victory in the day's first race.

Albarado began riding professionally at age 16 in June of 1990 and has ridden the likes of top horses Not This Time, Captain Steve, Orientate, Court Vision, Stellar Jayne, Banshee Breeze and – of course – two Horses of the Year in Mineshaft and Curlin. He is also the seventh-leading active jockey in earnings, with his mounts earning in excess of \$205 million. In that category, he is 13th all-time.

“It’s amazing. I feel like it’s a combination of owners and trainers, family and friends’ support to get to this point – I didn’t do it alone,” Albarado said. “It’s fitting to get it here where I started out. I won three races the whole winter my first meet here. I stuck it out and now I’m here on 5,000 wins. It’s pretty special to do it here at Fair Grounds.”

A father of four who is married to Paige Albarado of Fair Grounds Horsemen’s Relations, Albarado has won 201 graded stakes, including 35 Grade I events. His top victories have been the Grade I Preakness Stakes and Grade I Breeders’ Cup Classic aboard Curlin in 2007, as well as the Group I Dubai World Cup aboard that two-time Horse of the Year the following season. Additionally, Albarado has hit the board in the Grade I Kentucky Derby three times (2006, 2007 and 2013) and Grade I Belmont Stakes three times (2007, 2008 and 2014).

Uniform Medication Program that calls for third-party Lasix administration, accredited labs, a list of controlled therapeutic substances, and the multiple medication violation system.

"This is a logical extension of RCI's role as a regulatory standard maker for racing and will signal to the public, racetracks, horsemen, and other commissions if races are being conducted consistent with those standards," said RCI chairwoman Judy Wagner in a release.

RCI president Ed Martin said that some in the Thoroughbred industry have an interest in limiting the import of simulcast signals from markets operating under non-compliant integrity standards.

"Existing state laws allow commissions to approve the import of signals and federal law grants similar authority to the horsemen," Martin said. "What people do with the information generated by the compliance program is up to them. RCI will have no role in that unless otherwise empowered by statute."

The RCI said it will certify compliance with those standards on an annual basis and the standards may be expanded upon recommendation of the compliance panel. RCI said the concept of a compliance certification program received considerable support, 57%, in the RCI's 2016 Stakeholder Input Project.

The RCI board also voted Dec. 9 to create a performance audit of penalties assessed by individual steward stands for general consistency with the recommended penalty matrix contained in the model rules.

Panel Approved to Determine State Uniformity

When the Association of Racing Commissioners International adopts a model rule for Thoroughbred racing, it encourages each of its state regulator members to put the rule in place but has largely few options if states do not adopt a model rule.

That could change though, fueled by ratings to be determined by a planned independent panel that would determine how state commissions are doing relative to model rules. The push would not come directly from RCI but rather model rule-compliant states that could choose to block simulcast signals from states the panel determines are lagging behind in model rule adoption.

The RCI board of directors voted Dec. 9 to create the regulatory compliance program, which would establish minimum integrity standards based on RCI model rules. Under the program, an independent three-person panel of former regulators no longer associated with any particular commission will determine whether jurisdictions are "compliant," "substantially compliant" or "non-compliant" with select integrity standards embodied in the model rules.

The initial standards will be based on adoption of the four model rules of the National

personnel review and may become part of someone's private personnel file. In those cases where an official is not an employee of the commission, the commission may use it as a factor in determining suitability for approval as a racing official.

"The RCI Board recognizes that facts in individual cases may necessitate a departure from the recom-

mended guidelines," Martin said. "These audits are designed to alert employers if there is a pattern on the part of individual steward stands to ignore the recommended guidelines. Again, we will present this information and it will be totally up to the individual commissions how to utilize it."

Obituaries

Paul Richard “Dickie” Arceneaux

Paul Richard “Dickie” Arceneaux, 71, died on Saturday, December 17, 2016 at his residence in Church Point.

“Dickie”, as he was known to family and friends, loved and spent many years training racehorses. He was a well known farrier and later became a successful Mud Engineer in the oil and gas industry. He enjoyed hunting, fishing and working on that old green tractor. Dickie cherished his family and friends and will be dearly missed by all who knew and loved him.

A resident of Bosco, Louisiana, he is survived by his beloved wife of 25 years, Mitzie Arceneaux; his sons, Preston Arceneaux, David Arceneaux and his wife, Sarah, Scottie Lantier and Waylen Lantier; three daughters, Christina Arceneaux, Gwen Arnold and Carrie Robichaux; one sister, Annette Mouton and her husband, Butch; one brother, Victor “Doobie” Arceneaux; eleven grandchildren; five great-grandchildren; and numerous nieces, nephews and cousins.

Clifford Grum

Clifford Grum, a prominent businessman and Thoroughbred owner, died Dec. 19 in Lufkin, Texas under the card of Hospice of the Pines. He was 82.

Grum once served as publisher of Fortune magazine and was an executive vice president of Time Inc. Grum served as a board member and then chairman of First Bank and Trust East Texas in Diboll, Texas until his death. He was a former member of national boards including Time Inc., Tupperware Brands, Cooper Industries, Guaranty Federal, Premark International, and Trinity Industries.

“He was just a wonderful human being,” said Dr. J. David Richardson, a member of The Jockey Club and Kentucky Horse Racing Commission. “He loved horses and loved racing. The last time I saw him was at Churchill Downs around the end of the meet. He was game to the end.

As an owner, Grum’s horses raced in the name of his first wife, Janelle, and later Mary. His only graded stakes win came in 1998 with Relic Reward in Oaklawn Park’s Exxex Handicap (gr. III). Mary Grum’s Athena won last year’s Thirty Eight Go Go Stakes at Laurel Park and this year’s Roxelana Stakes at Churchill Downs.

Grum was a serious buyer at the Louisiana yearling sales. In 2006 he made Louisiana sales history at the Breeders Sales Company of Louisiana Annual Yearling Sale, breaking the \$100,000 mark for not just one, but two yearlings; a filly by Salt Lake out of Kathie’s Sister and colt by Grand Slam out of Lady’s Kiss.

Known to be a generous man, Grum was involved with Louisiana Downs’ Backside Benevolence Fund, Inc., and was instrumental in getting the chapel built at the Bossier City track.

penalties of the Multiple Medication Violation (MMV) Penalty System, The Jockey Club states its continuing opposition to such changes and requests that the Racing Medication & Testing Consortium (RMTC) consider withdrawing those changes before they are presented to the Association of Racing Commissioners International on Thursday, December 8, 2016.

“The Jockey Club collaborated with several other industry organizations affiliated with the RMTC in the original design of the MMV Penalty System, and we all shared a common goal: the creation of a consistent and fair system of penalties that would punish repeat violators and act as a deterrent to discourage such behavior. The proposed changes would eliminate points for the lowest penalty category and reduce both the number of suspension days and the time period points would stay on a horseman’s record.

“The industry has long struggled to create and implement national uniform rules of drug testing and enforcement. Weakening the penalties that were designed to reduce the frequency of repeat offenses is a step in the wrong direction.

“We also understand from the same published report that there is now a proposed compromise to reclassify certain drugs from class C to class B. This compromise needs to be more comprehensively examined by an RMTC committee, using the detail of the regulatory rulings database (thoroughbredrulings.com). Any changes to the MMV Penalty System need to be considered as a whole — not piecemeal — with the ultimate result of its being an effective deterrent.

“Repeated polling has affirmed that our sport is struggling against a strong negative public perception, due in large part to lax drug regulation. The Jockey Club urges our fellow members of the RMTC to reconsider the proposed changes to the MMV Penalty System at this time. We need stronger penalties, not watered down ones.”

2016 Economic Indicators: A Positive Outlook

Average daily wagering on Thoroughbred races in the United States rose 2.4% in 2016 while the number of races continues tracking downward. The trend downward in races is expected to continue as three years of foal crops that have bottomed out at around 20,500 since 2014 start maturing to racing age.

The increase in average daily handle during 2016 was not as high as the 5.8% seen between 2014 and 2015, but the decline in live races slowed to a more modest 1.7% decline compared to a 5.65% drop reported between 2014 and 2015.

As the decline in races slowed, so too did the drop in purses paid. In 2016 U.S. purses totaled more than \$1.08 billion, down 0.9% from \$1.09 billion in 2015. Purses dropped 1.6% between 2014 and 2015. Average purses paid per race day in 2016 rose 0.9% to \$232,114. The number of total race days dropped by 85 last year to 4,669, a decline of nearly 1.8%.

In all, the more modest year-over-year changes in the racing and wagering economic indicators were viewed positively by industry leaders.

“The 2016 wagering and purse report suggests that Thoroughbred racing in the U.S. has stabilized from the worldwide economic recession of a few years back,” said Alex Waldrop, president and CEO of the National Thoroughbred Racing Association.

“A declining foal crop has challenged the industry to adapt by reducing races and race days and also encouraged innovation,” Waldrop continued. “It is noteworthy that handle increased in 2016 despite 85 fewer race days. Undoubtedly, these results also reflect the fact that our champions such as California Chrome, Beholder, Tepin, and Songbird, as

well as a talented cast of 3-year-old stars headed by Breeders’ Cup Classic winner Arrogate, continued to race through the Breeders’ Cup in November.”

As for the year ahead, Waldrop said proposed regulation changes by the U.S. Treasury Department and the Internal Revenue Service affecting the withholding and reporting on pari-mutuel wagers could significantly impact handle in 2017.

“By modernizing tax withholding and reporting to reflect the true cost of a wager, especially exotic wagers, more money will now remain in the hands of our customers who will re-bet most of

AHC to Offer Internships in 2017

In 2017, the American Horse Council (AHC) will begin offering three different internship programs available to both high school and college students. Students will be eligible to apply to one internship per year in the AHC Internship Program.

“We recently announced the addition of a Student Membership, and wanted to continue the trend of being able to educate youth on the importance of AHC to ensure the industry’s long term sustainability,” said AHC President Julie Broadway. “We felt that offering an

internship would be another great way for students to understand exactly what it is the AHC does here in DC, and educate the next generation to advocate on behalf of the industry be it at the local, state or national level.”

The three internships available are:

1 or 2 week shadowing program to gain a broader understanding of the AHC with a focus on expanding knowledge of equine industry and policymaking. Transportation and housing not included; stipend of \$250 available to offset expenses. Open to high school and college students.

1 or 2 month internship- includes overview of AHC, student would conduct a research project and write a white paper on a specific topic of interest for academic credit. Transportation and housing not included; stipend of \$500/month available to offset expenses. Open

to college students.

Semester internship- includes overview of AHC, research project and white paper for academic credit and attendance at annual AHC meeting. Transportation and housing not included; Stipend of \$500/month available to offset expenses. Open to college students.

“We encourage those that apply for these internships to also join at the Student Membership level in order to get a fully rewarding experience,” said AHC’s Director of Communications Ashley Furst. “That way the student will be able to see the relationship between the work that we do, and the information that shared with members.”

Please visit the AHC website here for more details and to download the application form. If you have any questions, or would like more information about the internship program, please contact the AHC at info@horsecouncil.org.

President Warren Harang called the meeting to order. After some difficulty with the teleconference set up a quorum of Board members were present and the meeting was ready to proceed with business.

Tom Early, Chairman of the Salary and Benefits Committee informed the Board that the Committee met and they are presenting their findings of that meeting.

First he presented the Board with the information he received concerning 401K Safe Harbor Plan. After discussion, Michele Rodriguez made a motion to keep the 401k in place, however the Louisiana Thoroughbred Breeders Association will no longer contribute to it in any way, or will the LTBA pay any fees for it. This motion was seconded by Neal McFadden, voted on and passed unanimously.

Tom then presented the unanimous committee plan in regards to salary and health insurance. The committee concluded that the best form of action was to present a budget to the Executive Director, Roger Heitzmann, and allow him to delegate salary, personal days, and whatever else he sees fit to award as compensation in the daily operation of the office. The amounts that have been budgeted last year, this year and recent cuts were discussed. At the end of discussion it was determined that an amount of \$455,000 would be the budget of salaries and awards for distribution. It would be Rogers's job to disperse as he sees fit and for the staff to only report to and answer to Roger.

Tom then proceeded to introduce information received on health insurance. The committee unanimously presented a figure of \$75,000 to cover health insurance for employees only. The LTBA would no longer pay for any part of insurance for family members. Family members could be on the plan, however by no means will any of their expense be covered by the LTBA. The employee will have the responsibility to cover any family members cost. It will be Roger's responsibility to secure the best plan for the staff that he can under the limit of \$75,000. It was agreed that Roger can use leftover

insurance monies for salaries but cannot use salary monies for insurance.

Much discussion took place over this. After discussion Michele Rodriguez made a motion to accept the findings of the Salary and Benefits Committee and approve the budget for salary and insurance, and to give Roger the power to enact it. This motion was seconded by Bobby Duhon, which was voted on and passed unanimously.

Respectfully submitted, Roger A. Heitzmann III

L.T.B.A. MINUTES

Jay Adcock and Michele Rodriguez on the recent Yearling Sale held by Equine Sales Company of Louisiana. All indications show that the sale was a good sale that was supported by all. The figures were up from last year and the patrons, whether they were buyers or consignors, seemed to be pleased.

Warren asked if there were any amendments that needed to be made to the minutes of the August 6, 2016 Board of Directors Meeting. Hearing none, Charlotte Clavier made a motion to accept the minutes as presented. Jake Delhomme seconded the motion, which was voted on and passed unanimously.

Harry Benoit, one of the three Lobbyists for the LTBA, was in attendance to present a report to the board. Harry reported on all the bills that were presented in the House and Senate last year. He was excited on how we able to protect the monies of the Breeders of the state. He informed that we have a fine team working together to protect the horsemen.

Jake Delhomme took the floor to bring up discussion on the possibly of bringing back the "Z" horse. The "Z" horse is a foal which is produced by a mare on the second breeding out of state. As in all cases the foal must be born in the State of Louisiana, but the breeder would forgo ½ of their breeder's awards and would pay \$250 for the accreditation. Jake presented this as a way to change things up to possibly help with membership and foal crop.

Charlotte Clavier spoke that she believes that nothing needs to change other than the fact something has to be done to bring more youth into the industry. Breeders and owners are leaving the industry due to the fact that they are passing away, and/or they have been mis-handled by those in the business when they were in it. Michele LaVoice noted that she too believed that trying to attract more young adults to the industry was something needed. Michele Rodriguez agreed.

Charlotte also pointed out that the expenses of today are not helping the business.

Brett Brinkman stated he believed the business needs to focus on what the business actually is. These foals that we produce are actually a commodity that we have to sell to end users. He said that we need to concentrate on what we need to have racing. He pointed out that summer racing in Louisiana is on the decline. He believes we have to give our clients a better opportunity to make money. He made note that if someone wants to breed a \$5000 stallion or less they have all the opportunity here in the state of Louisiana. However, by allowing a client to breed to a more expensive stallion and charging them to do so, makes sense to keep the better mares in the state rather than having them leave the program. This would help the foal crop, the breeders who want to take a larger gamble, and open the door for Louisiana bred to sell for more money. Brett said the giving to owners additional opportunities could only help our association not hurt it.

Jay Adcock said he believed that the key to the whole problem was to get the racing secretaries and the racetracks to put more of the monies into the maiden special weight races and not as much in the lower claimers. This would give the end users a chance of earning the monies they have invested back quicker.

Jay also made note that there are many people who are invested in our program due to the rule as it is now.

Val Murrell and Neal McFadden pointed out that we need to make sure that the members who don't have the monies to spend on more expensive mares and stallions have the same opportunities as those who do.

Danny Guidry, a member of the association in attendance, requested to be heard. Warren recognized Danny.

Danny informed the board that he didn't think that going back to the "Z" rule would not be a detriment to the program. He is a commercial breeder who wants to breed and sell top horses. He doesn't believe that buying more expensive and breeding them out of state to a more expensive stallion will hurt the books of the stallions standing in Louisiana. His thought is that if you want to breed to a stallion that stands for \$5000 or less, the value is here in Louisiana now. He also believes that letting the mares come back to Louisiana will help the economy in the State rather than helping the economy in Kentucky.

Charlotte said that through her experience that the more doors you open that the will enable more violators of the rules to appear.

Discussion continued for a good period of time with no motion being made but with everyone expressing their beliefs.

Warren asked that we continue the discussion another day and moved to the next item on the agenda.

Jay Adcock brought to the board a discussion on the castration of colts. He wanted the Board of Directors to help with coming up with an idea to enable or urge people to castrate their yearlings (foals). He noted that studies show that castrating these foals helps with the growth, temperament, and the overall well being of most colts. He pointed out that in a regional program such as ours, future stallions are not the main reason we raise foals, racehorses are. Coming up with an idea that possibly the Jockey Club, or any other leader in the industry, can get behind that would be beneficial to those raising foals as well as those buying the foal.

Jay also brought up that having these horses gelded; it would make it easier to get them after care once their careers were over.

Tom Early told Jay and the Board that if he goes to the Keenland Sale he would go talk to the registrar at the Jockey Club, Rick Bailey. He also told Jay if he was available they would go together.

Discussion continued, however no motions were made.

L.T.B.A. MINUTES

LTBA/HBPA Liaison Committee: Val Murrell – Chairman

Val had no report for this meeting

LTBA/LSRC Liaison Committee: Jake Delhomme – Chairman

Jake reported people are excited about winter racing in Louisiana. Brett added that the Commission is coming down on the racetracks to work with the horsemen and put racing first. Brett suggested that if you or someone you know has a problem, they should contact the commission rather than the track. The Board then went through a lengthy discussion of the many problems that horsemen are facing with the racetracks.

Inspection: Brett Brinkman – Chairman

Roger reported the results of Mike Whittler's inspections of mares that were to return to the State after breeding elsewhere. It resulted in the disqualifications of two foals in which Mike was notifying them by mail.

Membership & Nominating: Charlotte Clavier – Chairman

Charlotte had nothing to report at this meeting. She did note that she believes the office is doing a fine job of checking members as they apply to determine the correct type of membership.

Salary and Benefits: Tom Early – Chairman

Tom requested that he present his report in Executive Session at the end of the meeting.

New Business:

Julie reported on a meeting with the Lieutenant Governor that was attended by members of the horse industry. Representing the LTBA were Warren Harang, Brett Brinkman, Tom Early, and Roger Heitzmann. The meeting was to pitch ideas on how to improve the capabilities of Louisiana to attract more people to the state and the different horse industries. Ideas were tossed about and the Lieutenant Governor wants this to be an area that he wants to improve.

Roger reported to the Board the monies that were paid out in breeders awards at the completion of the first two meets with the cuts. He also presented projections on the possible breeder's awards for the winter meets. It is believed that by the end of the Fair Grounds meet the association will recoup approximately \$750,000 of the roughly one million that we have been taking from reserves over the last few years. We still have some work to do, but this is a great start.

Warren informed the board that he was pleased with the start but he believes that we are going to need to trim additional monies from the awards because we could be as much as \$500,000 short of where we need to be. He's searching for additional ideas.

Brett Brinkman presented an idea of a value be given to a claiming level. This would even out the awards across the state and help keep the "over paying of breeders awards" at the lower levels. He pointed out that Indiana doesn't pay out breeders awards to anything under \$10,000. He believes we need to be more in control on what we pay out and not just going along with the track and their purse structure.

Roger then presented some figures on paying a flat value based on purse average. Discussion on the amount it may be cutting the winner was a concern. Discussion continued on different types of reductions that may be possible or needed. All agreed that more investiga-

tion needs to be done on paying a flat rate on breeder's awards. Roger is to work on a scale that would give more perspective.

Discussion about the optional claiming race and how much breeders awards are awarded to the claimer based on an allowance race. It was noted that we need to work on a solution.

Warren called for the board to enter Executive Session. This motion was seconded by Charlotte, which was voted on and passed unanimously.

Before going to executive session Warren wanted to recognize the members in attendance:

Alan Peltier, Ray Sibille, Eddie Delahoussaye, Danny Guidry, Harry Benoit, Julie Calzone, Tommy Hewett, and David Tillson.

While in Executive Session, Tom presented to the board a change of Insurance Agents for the Louisiana Thoroughbred Breeders Association health insurance. The change would be moving from Greg Authement to Wayne Landwerlin. Tom pointed out that working with someone in the vicinity of the main office and more able to give personal attention would make it easier on staff to free up the amount of time spent on insurance problems. The current insurance representative seems to be out of the office a bit and unable to give the personal touch.

Discussion took place about cost and/or problems with the change. Tom answered all questions. Warren made a motion to make the change of agents. Michele Rodriguez seconded the motion, which was voted on and passed. Charlotte Clavier and Jake Delhomme voted against the motion.

The board then entered into discussion about the employee's 401k plan. The board had to decide whether or not to continue the safe harbor plan with the 4% match in funds, decrease to 3% match in funds or decrease to 2% and leave the safe harbor. Charlotte made a motion to eliminate the Safe Harbor 401k plan, and pay the employees a 2% increase in salary that they can use for investment.

Tom made a motion to leave Executive Session. Charlotte seconded the motion which was voted on and passed unanimously.

Upon leaving Executive Session Michele LaVoice made a presentation on working more closely with the 4-H Youth Racing Program. She believed with a little corporation with the tracks, and horsemen making the youth of the 4-H clubs more aware of racing can only help us in the future.

She has been working with Neeley Walker to help get this program started. They have put together a six week plan to help these students understand some aspects of our industry. She will report back with additional info as it becomes available.

Date, Time and place of next Board of Directors Meeting:

December 9, 2016, in the New Orleans area, at a time and place to be announced.

With no further business to be brought before the Board, Bobby Duhon made a motion to adjourn the meeting. This was seconded by Brett Brinkman, which was voted on and passed unanimously.

Respectfully submitted, Roger A. Heitzmann III
